

DEPARTMENT OF FRENCH
With effect from the academic year 2017 - 18

Aim

The syllabus aims at imparting a sound knowledge of French language, at making them competent in French and creating an interest in the French society among the learners. The course aims at developing the four basic skills in French : speaking, listening, reading and writing.

Objectives

1. To provide students a sound knowledge of the French language.
2. To develop the four language skills.
3. To nurture and enhance literary sensibility.
4. To initiate the students to French civilization and culture.
5. To familiarize the students with the latest commercial terms keeping in view the growing demand in Indo-French business scenario.
6. To enhance the translation skills.

Eligibility norms for admission

French is offered to any student entering the college for undergraduate programme with Basic English knowledge and an aptitude for learning a new language.

Duration of the Programme:

- ❖ For B.A, B.Sc. degree students first four semesters with six hours per week
- ❖ For B.Com, B.Com with C.A, B.Sc. Computer Science degree students first two semesters with six hours per week

Basic glossary of business and computer terminology in French is incorporated in the syllabus for B.Com, B. Sc Computer Science, B.Com with C.A. respectively.
