Holy Cross College

Holy Cross College is the first women's college in Kanniyakumari District established on 2nd August 1965 and administered by the Congregation of the Sisters of the Cross of Chavanod, France with the thrust on Empowerment of Women. The college has risen to a first grade college, affiliated to Madurai Kamaraj University in 1966 and conferred autonomous status in 2007. The college has undergone three cycles of accreditation by NAAC with a cumulative grade point of 3.34. The college aims at total liberation and development of the whole personality of the students in order to take their rightful place and responsibility in society.

Crossian Research Forum (CRF)

The CRF was launched in 2008 to promote multi-disciplinary research among the faculty, scholars and students. This is a platform for researchers to get their research ideas tested, for academia to see their findings gaining new momentum. It also provides a new eco-system for startups and entrepreneurship to tackle the global challenges. CRF releases the inter-disciplinary bi-annual journal "Crossian Resonance" and also organises conferences/workshops every year with relevance to the current trends in research. The IPR cell provides training on patenting, trademark and copyrights to promote quality research catering to local and global needs.

About the Conference

International Conference on "*Research and Innovation in Higher Education*" provides a premier interdisciplinary platform for researchers and educators to discuss the most recent innovations, trends and concerns as well as practical challenges encountered and solutions adopted in the fields of Research and Innovation. Discovery is kindled through opportunities to examine the contemporary knowledge and practices exploring current issues and challenges through different perspectives for innovations. At this juncture, the conference will facilitate an understanding of the emerging techniques in research and the need for the scientific community to protect their ideas and inventions.
