About our Department

Vision

Sculpting integrated individuals for a better future.

The PG & Research Department of English is unparalleled in offering holistic development for the students, integrating the academic, co-curricular and extra-curricular activities. It offers students a place to explore knowledge with humanistic complexity and creativity.

The department provides multiple opportunities for the faculty and students to review their efforts and to analyse their achievements in academic, research and personal development. Besides equipping students for employability, the department also ascertains instilling value system, eco spiritual dimensions, inclusivity and thus developing a holistic personality. In short, it transforms students into responsible young women for creating a better society.

Mission

To develop globally competent professionals and to ensure self-actualization harnessed with socio-ethical responsibility.
