Report

A national level seminar on “Intellectual Property Rights and its role in Bioentrepreneurship” was organized by the Department of Zoology in collaboration with IIC, Holy Cross College, Nagercoil on 13.03.2020. Dr. S. Mary Mettilda Bai, Head of the Zoology department convened the programme. Dr. S. Prakash Shoba and Dr. A. Punitha were the organizing secretaries of the programme. Dr. S. Prakash Shoba welcomed the gathering and introduced the resource person of the program, Dr. K.P. Srinivasakumar, Head, Clinical Operations, Institute of Biology and Clinical Research (IBCR), Thiruvananthapuram, Kerala.

The resource person in his talk highlighted on the types of Intellectual Property Rights, such as Trade Mark, Copy Right, Geographical Indications, Registered Designs, Patent etc. He addressed the ways and means for getting patent for the biological products, processes and procedure and encouraged the students to do research with this understanding. He also emphasized on the bioentrepreneurial opportunities in IPR field (IPR expert) and the new avenues due to this pandemic Covid-19 (Health officer) to the students. The talk was very useful, informative and relevant.

The prize winners of our department were honoured in this seminar as a token of encouragement. Ms. Suji Princy, Sr. John Gracy, Ms. Nageshwari, and Ms. Rosalia Linnet of II M.Sc. Zoology, who won II prize in Village Model Making competition organised by RUN were appreciated. Also, Ms. J. Evelyn Priscilla, II M.Sc. Zoology who won the Young Researcher Award – 2021 and the Inspirational Women Award – 2021 from Cape Forum, You Trust, Kanyakumari District, was also honoured and congratulated by the resource person and the audience.

Dr. A. Punitha proposed the vote of thanks. E- Certificate for participation in the seminar was issued to the participants on submission of the feedback. More than 90% of the participants mentioned that the seminar was very much useful and excellent. The content of the seminar delivered by the resource person was rated as above 100%.

Thank you
Dr. S. Mary Mettilda Bai
Head, Department of Zoology
