REPORT

The Department of Chemistry in collaboration with Institution Innovation Council of Holy Cross College (Autonomous), Nagercoil organized a webinar entitled “ROLE OF IPR IN INNOVATION” on 28.11.2020 at 10:30 am through online platform Google Meet. Ms. S. Deepika of I M.Sc Chemistry been the host of this webinar. The webinar commenced by invoking God’s blessing through a prayer song. Dr. Sheeba Daniel, Assistant Professor of Chemistry, Holy Cross College (Autonomous), Nagercoil welcomed the gathering and introduced the resource person.

The Resource Person Mrs. R. Hemalatha, Assistant Controller of Patents and Designs, Biotechnology Division, The Patent Office, Govt. of India, Chennai, enlightened the participants with her excellent presentation on “Role of IPR in Innovation”. She explained in detail about innovation, intellectual property and its components such as copyrights, trademarks, geographical indications and patents. She clearly described about patent, criteria to apply patent and how to apply patent. She also highlighted the non-patentable inventions with suitable examples. She encouraged the faculty and the scholars to go for patentable work and to register for patent. Few Government of India’s websites were mentioned by her for assistance in filing a patent. Participants got a clear idea on the role of IPR in innovation through this webinar.

The webinar was very useful and informative which kindled the young minds with the spark of innovation. 100 participants were benefitted through this session. Feedback link was provided for the participants and e-certificates were issued to all who have sent their feedback. The webinar reached its end with Sr. K. Francy, Assistant Professor of Chemistry, expressing the gratitude through her vote of thanks.
