RESEARCH POLICY

As research forms an integral part of promoting innovation, knowledge and skill, the Institution had taken keen interest to promote research in various disciplines. The Institution has framed a research policy that encourages, promotes and protects research endeavours.

- Setting a benchmark to make all faculty members become doctoral degree holders and recognized Research Guides.
- Upgrade all the Post Graduate Departments into recognized centres of research.
- Faculty/students/visiting scholars/post-doctoral fellows, shall in all aspects of their research activities, demonstrate integrity, professionalism, fairness, equity and intellectual honesty.
- Both empirically and theoretically focused research methods and results shall be recorded/published in ways that are open to scrutiny and debate.
- Establish linkages and create MoU with International and National Academic Research Organizations.
- Faculty/students promote research by utilizing the available National/International fellowship, research projects of Government and Non-government funding agencies.
- Providing seed money/awards/prizes for outstanding research contribution utilizing Dr. Sr. Mercy Foundation for Research.
- Research database of faculty and research scholars must be maintained in an easily accessible form.
- Strictly follows the guidelines of the Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA) for the scientific study of animals.
- Researchers shall effectively and transparently manage conflicts of interest or potential conflicts of interest.
