

Best Practice - I

1. Title of the Practice: Student Leadership

2. Objectives of the Practice

Every student needs to emerge as a leader who can serve her part of the world. Leadership is a common trait which can be cultivated, honed and strengthened. It is towards this the institution endeavours consistently. Students are given an opportunity at every step to evolve as a responsible citizen.

3. The Context

The Student Council serves as an interface between student and management addressing the essentials. Election is held in a democratic way with equal opportunity. To inculcate a sense of equity persons with disability are included on the Council.

4. The Practice

All festive celebrations are spear headed by the student community thus shaping the sense of respect for diversity. The village service is another program under the aegis of RUN which inculcates the skill of identifying and resolving social issues as well as consciousness raising efforts. The eco conscious efforts shape our students to be responsible leaders who will forge a better world.

5. Evidence of Success

Observations of different commemorative days, instil a sense of national pride in the students. The students are also trained and have become innovators, entrepreneurs who are economically successful. Thus students are transformed into people with leadership qualities.

Best Practice - II

1. Title of the Practice : Holy Cross Innovation and Incubation Centre (HCIIC)

2. Objectives of the Practice

Holy Cross Innovation and Incubation Centre (HCIIC) was established to make the Faculty, Staff and Students to become globally competent in terms of Entrepreneurship, Prototype, Patent and Startup.
