

Capacity development and skills enhancement activities are organised for improving students' capability

STUDENT INDUCTION PROGRAMME

Student Induction Programme was organized by Internal Quality Assurance Cell of our College from 19-08-2020 to 21-08-2020 for the first year UG students. The induction programme was brought in with a view to uplift the level of the entrants to an elevated stage, promote all-round development and exposing learners' stigmas to minimize and to maximize their learning. As the learners come with diverse thoughts, backgrounds and perceptions, it becomes important to help them adjust and feel comfortable to the new environment, inculcate the ethos of the institution, help them build bonds with other students and faculty members, expose them to a sense of larger purpose and self-exploration. The sessions were designed to improve students' awareness and motivate them for the branch they have chosen. All the sessions motivated students to start thinking towards the path they need to adopt for the coming years to achieve their goals.

To mark the beginning of the academic year and Induction Programme, on 19-08-2020, the programme began with invoking presence of god through a prayer by Dr. Benit, Assistant Professor of Botany and it was followed by the College Anthem. Dr. Sr. Leema Rose, Vice Principal of our college welcomed the parents and the students. Dr. M. Anitha Malbi, Assistant Professor of Chemistry and Coordinator of Parents Teachers Association read the report. Dr. Sr. Gerardin Jeyam, Secretary of our college gave the felicitation address and emphasized the importance of core values. Having given the warm welcome to the students, she appealed the students to utilize maximum resources at the most of their capacity for academic enhancement. Sr. Anne Perpet Sophy, Principal of our college gave the general instructions which must be followed by the students. Ms. Anishya Dani, Assistant Professor of English and Dean of students highlighted the history of the college and Dr. Sujitha, Assistant Professor of Mathematics took the freshers on virtual campus tour to familiarise them and to make them aware of different location in the campus. The Deans of Arts and Science Dr. Jeny Padua, Dr. Virgin Nithya Veena and Dr. C.K. Sunitha introduced the curriculum and academic guidelines. The instructions regarding internal and external examinations were outlined by Dr. Vinoliya Josephine Mary, the Controller of Examinations. Information regarding transportation facilities were also informed. Student Induction Programme was inaugurated by Dr. Jimsy Asha, IQAC Coordinator. Dr. Nirmala Louis, Dean of students proposed the vote of thanks. In the afternoon

session, orientation was given by the HODs, class incharges and mentors in their respective departments as the student should feel free to approach his faculty mentor, when facing any kind of problem, whether academic or financial or psychological etc. An introduction on Google classroom was also given to the students.

The second day of Student Induction Programme began with a prayer on 20-08-2020 at 9:30am which was followed by distinguished lecture series. The first lecture was on “Being and becoming” by Dr.Jimsy Asha , the IQAC Coordinator and the second lecture was on “Health and Hygiene” by Dr.Anami Augustus ,Assistant Professor of Botany and the third session was on “Health and Fitness by Zumba” by Dr. S.Ajith Sinthuja, Assistant Professor of Chemistry which was followed by Zumba fitness dance session . The sessions were quite interactive that proved to provide a visualization to Personal, Academic and social life with ease and a clear picture of self, the vitality of Human Values and health in general. The afternoon session was enveloped with Creative art session from 2:30-3:30 pm that included Paper art, Clay art, Bottle art and wall décor. The students enjoyed doing craft works that enriched their creativity.

As an integral part of Induction programme, the third day began with prayer followed by the distinguished lecture series on “Importance of Yoga” that was followed by yoga practical and feedback sessions. In the afternoon, SWOC Analysis was done by the class in-charges and also mentoring was done by the mentors on Environmental consciousness and human values. Towards the end of the programme, talent hunt was done from 3:00pm to 4:00pm where in many of the students brought out their hidden talents. It was followed by feedback and valedictory session. With the cooperation of the students and the faculty members the Induction programme was able to record the feedbacks of the students in Expert talks, Village Visit and Industry Visit. The total involvement of deputed Faculties actively engrossed in various responsibilities of induction programme. That facilitated to motivate the entrants to stir like a sugar in water of institutional activities. Students are made aware about multidisciplinary areas and their developments and developed ability to transcend from subjective knowledge to the application of subject in real life situations. As an outcome of the programme, freshers were able to display confidence and successful transition into a new academic environment. They were able to establish positive acquaintance with the institution and were able to attach moral values and behaviours with the practices of the institutional activities. They were able to project exemplary performance in activities designed during induction programme.

REDUCE THE RISK OF PCOS

- Polycystic ovarian syndrome (PCOS) is a common endocrine disorder affecting female adolescent and adulthood globally. The most annoying complications of PCOS are obesity and infertility.
- The clinical features comprise of reproductive manifestations such as reduced frequency of ovulation, menstrual irregularity, reduced fertility, abdominal obesity, sonographic evidence of ovarian cysts, and high levels of male hormones such as testosterone and androstenedione.
- Vigorito et al (2007) found that women diagnosed with PCOS who were not ovulating, were able to restore their normal menstrual cycle following a 3-month aerobic training program

Report

On March 5th, 2021, the Department of English (SF) at Holy Cross College (Autonomous), Nagercoil, organized a lecture on "Creative Writing." The event commenced at 1:15 p.m. The organizing secretaries were M. Maria Helen and Janoba A. Jarith, who holds a B.Tech., MBA, and an Honorary Doctorate, as well as being a writer.

The lecture began with an invocation, followed by a welcome address from Ms. J. Maria Prabina Sackaria, Assistant Professor in the Department of English (SF). A. Jarith enlightened the audience by emphasizing the importance of writing skills and provided various activities to enhance creative thinking among the participants. The session aimed to underscore the significance of these skills.

In total, 244 students benefited from the program. Ms. Elza Therese Levin, Assistant Professor of English (SF), delivered the vote of thanks. The lecture concluded at 3:15 p.m.

REMEDIAL COACHING

Holy Cross College (Autonomous), Nagercoil initiated remedial coaching for the academic year 2021-2022 on August 24, 2020. This program was designed to support both slow learners and advanced learners. Slow learners were provided with easy-to-understand notes, mind map, flow chart, MCQ, peer teaching, modules, worksheets, open book tests, slip tests, and other supportive materials to aid their learning process. Advanced learners engaged in a variety of activities, including teaching spoken English classes to students from other departments, paper presentation, book review, SLP, master of ceremony, peer review, coaching slow learners, participating in a readers club, engaging in debates, and developing entrepreneurial skills. A total of two thousand and five students benefited from this program. This initiative significantly contributed to their academic improvement, enabling them to progress in their careers and compete more effectively with faster learners. Students found the remedial coaching highly beneficial for their academic growth.
