Framing Programme Educational Objectives (PEOs), Programme Outcomes (POs) and Course Outcomes (COs) should focus on the holistic aspect and distinctiveness of the students. “Mapping” should be based on COs, POs and PSOs. Assessment is an action of making judgement. Questions must test the outcomes of the CO and PO. Assessment tools for Course Outcome should be designed.

The Internal Quality Assurance Cell (IQAC) of Holy Cross College (Autonomous), Nagercoil organized a Programme on “Stress Management” on 29th March 2023. The programme began with a Prayer Song and Ms. Mary Rita Lumina delivered the welcome address. The Vice Principal, Dr. Sr. Leema Rose felicitated the gathering. The Resource Person Dr. Shyla Kumari threw light on the origin of stress and its ill effects. She spoke about the importance of being happy, being unique and incomparable with others. All one needs is work satisfaction in the workplace which is very essential as a faculty working for an institution.

The second session focused on how to ignore stress in workplace and life. One must involve in constructive activities like Yoga and Walking to stay away from stress. Minimizing the usage of Television, mobile phones and internet and spending quality time with the family will develop a positive energy. Women must be beautiful and bold to lead a stress-free life. As the seeds that are sown on good soil yield a good harvest, women must work with a good vision for their personal as well as institutional developments. The programme was highly interactive and thought provoking. It came to an end with Ms. Ajitha delivering the Vote of Thanks.
