## **About the Institution**

Holy Cross College, established in 1965 as the first women's college in Kanyakumari district, stands as a citadel of learning and women's empowerment. It's an institution where education transcends academic excellence, focusing equally on personal and professional growth. Under the adept and compassionate stewardship of the Sisters of the Cross of Chavanod, the college imbues its students with the skills and values necessary to forge their own identities and pursue their dreams with determination, respect and faith. With a nurturing environment that fosters intellectual, physical, emotional, and spiritual growth, Holy Cross College is not just an educational institution, but a transformative space where we prepare women to pursue their aspirations and make meaningful contributions to the world.

### **Internal Quality Assurance Cell (IQAC)**

Holy Cross College, founded in 1965 and set in a peaceful, sylvan landscape, offers a respite from the hustle of urban life, fostering a unique environment conducive to nurture resourceful learners and innovative thinkers. The college's Internal Quality Assurance Cell (IQAC) is instrumental in this nurturing process. As a key component of the institution, the IQAC actively works to enhance and sustain the quality of the college's educational and administrative frameworks. By regularly monitoring and maintaining high quality standards, the IQAC ensures that the institution's vision and mission of sustaining excellence are not just aspirations but lived realities.

## **About FDP**

This Faculty Development Program (FDP) is an MoU activity with St. Joseph's College (Autonomous), Thiruchirapalli, aimed at fostering a more engaging and effective educational journey. By harnessing adaptive technologies and data-driven insights, educators can empower students to take an active role in their learning, promoting a student-centric paradigm in higher education.

### **Objectives of the FDP**

- To equip educators with the knowledge and skills to effectively integrate AI in education, including the development of adaptive assessment tools, while ensuring ethical practices in AI-based academic research.
- To enhance the quality and effectiveness of teaching and learning in the digital age.
- To explore how Theme-Centered Interaction (TCI) can enhance higher education from teaching to student-Centered learning approach, offering practical guidance for educators.
- To foster innovative teaching methods and ensure accessible, high-quality educational content for a diverse learner demographic.
- To promote educator well-being through stress management techniques and work-life balance strategies.

## Key Note Address

**Dr. A. Rose Venis**

IQAC - Director, Associate Professor, Department of Chemistry  
St. Joseph's College (Autonomous), Tiruchirappalli, Tamil Nadu
