ABOUT ECC ACADEMY:

This Academy has been functioning since 2006. More than 3000 students have passed Central Government examinations such as Railway, Bank exams, SSC and State Government examinations like TNPSC, Group II and Group IV . It is situated in the heart of the town with good infrastructure facilities and the students find it a safe place of easy access.

Course Features

This program is to promote the employability skills of the students by providing training to face competitive examinations.

Certification

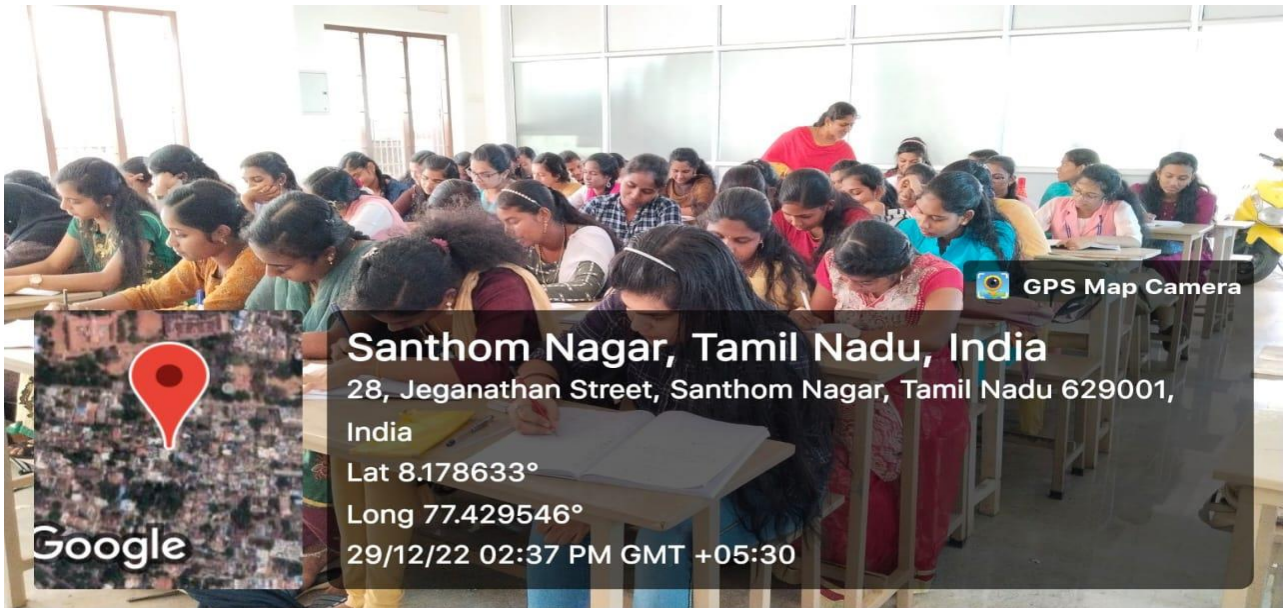

At the end of the course, exam will be conducted and hard copies of the certificates will be issued to the students.

The conference started with an Inauguration and Release of Mathematics Newsletter by Dr. Sr. S. Sahaya Selvi, Principal, Holy Cross College (Autonomous), Nagercoil-629004. Dr. Sr. Selvi felicitate the gathering and introduced the resource person Dr. G. Britto Antony Xavier, Associate Professor of Mathematics, Sacred Heart College (Autonomous), Tirupattur– 635601 for the International Conference. Along with it, Dr. Sr. M. Mary Hilda, Secretary, Holy Cross College (Autonomous), Nagercoil-629004 presented an eco-friendly plant to Dr. Britto as a token of appreciation. Then Rev. Dr. John Borg, COE and Assistant Professor of Mathematics, Sacred Heart College (Autonomous), Tirupattur – 635 601 addressed the gathering about the importance of the conference and motivates the young generation towards research through his impactful presentation. After signing the MoU with Holy Cross College (Autonomous), Nagercoil-629004 the first session started.

Dr. Britto started the session with the brief introduction on his topic and how this idea generated and the journey of this work. He keeps the audience attention by his unique way of orating the mathematical concepts. He interacted with the scholars and students and clarified their doubts in an easy way of understanding.

After a lunch break, the audience was gathered in Seminar Hall, Holy Cross College (Autonomous), Nagercoil-629004 for the online session by Dr. S. Priyan, Assistant Professor of Mathematics, AMITY University Tashkent, Uzbekistan. He introduced the application of mathematical models in real world by his presentation and the concepts of Optimization for Healthcare Industries During the COVID-19 Pandemic.

Then the Paper Presentation Session started. Rev. Dr. T. Sathinathan, Assistant Professor of Mathematics Sacred Heart College (Autonomous), Tirupattur – 635 601 was the chairperson for One set of Paper Presentation and Dr. J. John Arul Singh, Assistant Professor of Mathematics, Noorul Islam Centre for Higher Education, Thuckalay-629 180 was the Chairperson for another set of presentations. With this, Day one programme comes to end.

She has worked on a project titled "**Hydroxyapatite (HAp) Nanostructures from Natural Resources for Biomedical Applications**". This project was aimed at driving the particular compound from Natural Resources. During her project work she has demonstrated her skills with self-motivation to learn new skills. Her performance exceeded our expectations and she was able to complete the project on time. We wish her all the best for her upcoming career.
