Best Practices

- Students' participation in Summer Training Programme organized by National Institutions (IGCAR, Indian Institute of Astrophysics, Department of Nuclear Physics-Chennai, Tamil Nadu Science and Technology Centre-Chennai)
- Webinars and Practicum through Virtual Lab

Distinctiveness

- Competitions in view of commemorating Great Indian Scientists

- Sensor based Pipes
- Science Exhibitions

Future Plan

- E-Vehicle
- Exhibition related to sensor based Eco awareness initiatives and innovative solar energy conservation practices

Recommendations

- Familiarize Model Based Teaching for understanding physics concepts.
- Use more popular platforms offering learning experiences that make teaching-learning engaging, fun and interactive.
- More prototypes can be developed from science exhibition
- More value added courses can be provided to improve the skills of the students for employability and entrepreneurship

- Exhibition, Intercollegiate Quiz and Intra Departmental Competitions
- Endowment Lectures
- Sessions on Industry 4.0 & Industry 5.0
- Industrial visits to Research centres
- Lab to Land Programme
- Celebration of National and International Commemorative days
- Training the Trainers

Distinctiveness

- Chem Clean Startup
- Women Initiative for Sustainable Empowerment (WISE) for neighbourhood village women

Future Plan

- To conduct more collaborative conferences
- To get more patents
- To publish more papers in highly indexed journals
- To get more funded projects
- To collaborate with industries and other organizations

Recommendations

- To document the evidence for effective usage of various ICT tools such as Google Classroom, Quizziz etc.,

Best Practices

- Field trips are integrated into the curriculum of each course to provide students with hands-on learning experience. These field trips are designed to complement classroom instruction and expose students to practical applications of theoretical concepts. It is an excellent practice of the department.
- MoUs with Industry, Research labs and Academic Institution are established to provide students with real-world experiences. Through internships, guest lectures, staff exchange programmes and research projects, students gain practical skills and insights that complement their academic learning.
- Environmental promotional activities like Tree Plantation & Parthenium eradication are organized in collaboration with local communities to raise awareness about environmental issues and promote sustainable practices.

Distinctiveness

Producing herbal products and aromatic essential in the department can be a rewarding endeavor that integrates research, education, and practical applications of plant science.

Future Plan

To implement unique QR codes for each identified trees and herbal plants in our campus using a standardized format.

To associate QR codes with respective plant profiles containing detailed information

Recommendations

Plant identification and Phytochemical testing shall be permitted to be conducted in laboratories by external researchers.

Best Practices

Candy talk

Lunch and Share

Distinctiveness

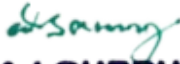

- Department of English SF has research as a prime position. All the under graduate and post graduate student are motivated to publish and present papers in the reputed journals and proceedings. One paper in a year is mandatory for the post graduate students.
- Students are emboldened to publish books, articles, and anthologies.
- Lit Fest and Literary Knack are organized regularly

Future Plan

- The department members have planned to inaugurate five entrepreneurial initiatives by our students.
- The faculty will publish minimum one paper in SCOPUS and UGC care journals.
- The department will collaborate with other organizations in conducting seminars and conferences.
- Faculty as well as students will publish books with ISBN.

Recommendations

- Combined/Interdisciplinary papers may be given for publications in UGC Care journals.
- PG projects supervised by a co-guide affiliated to any college other than one's own may be treated as a collaborative activity
- Outgone students who have cleared competitive examinations may be invited to the department to share their experience to inspire the students.
- Extension tips: Authorized signature from the village officer or an authentic report that is approved by the village administration can be provided for the RUN/UBA/CEC extension activities.
