PG & RESEARCH DEPARTMENT OF HISTORY ORGANISES

Orientation on Government Museum

25-02-2026

Report

Title: Orientation on Internship in Government Museum

Organised by: PG & Research Department of History, Holy Cross College (Autonomous), Nagercoil

Date: 25-02-2026

Time: 11:00 AM – 12:30 PM

Venue: Room No: 78

Resource Person: Mrs. B. Jency, Curator, Government Museum, Kanyakumari

Organiser: Dr. K. Baby

Objective of the Programme:

The programme aimed to provide students with awareness about internship opportunities in government museums and to enhance their understanding of museum practices, preservation techniques, and career prospects in the field of history and heritage management.

Programme Description:

The PG & Research Department of History organized an MoU activity titled “*Orientation on Internship in Government Museum*” for the academic year 2025–2026. The session was handled by Mrs. B. Jency, who shared her expertise as a museum curator.

She explained the structure and functioning of government museums, the importance of preserving historical artifacts, and the role of interns in documentation, conservation, and exhibition management. The session was interactive, and students actively participated by asking questions regarding internship procedures and career opportunities.

Learning Outcomes:

- Students gained knowledge about museum administration and operations.
- Awareness of internship opportunities in government museums increased.

- Understanding of artifact preservation and documentation improved.
- Students developed interest in heritage-related careers.
- Practical exposure to real-world applications of history was enhanced.

Impact of the Programme:

- Encouraged students to pursue internships in museums and heritage institutions.
- Strengthened institutional collaboration through the MoU initiative.
- Improved students' practical and professional skills.
- Bridged the gap between academic learning and field experience.
- Motivated students towards research and career development in history and archaeology.

PG & RESEARCH DEPARTMENT OF HISTORY ORGANISES

Orientation Programm on Internship

25-02-2026

Report

Date: 25-02-2026 **Venue:** Room No 78, Holy Cross College (Autonomous), Nagercoil

Organized by: Department of History in association with Gtec, Nagercoil

Executive Summary

On February 25, 2026, the Department of History organized a specialized orientation session focused on internship opportunities as part of its ongoing MoU (Memorandum of Understanding) activities. The session was designed to bridge the gap between academic learning and professional practice, providing students with a clear roadmap for their transition into the workforce.

Session Highlights

The programme commenced at 9.30 a.m. with an introduction by the Convenor, **Dr. S. Regi (HoD)**. The technical session was led by the Resource Person, **Ms. Angelina**, a professional Trainer from **Gtec, Nagercoil**.

Key topics covered included:

- The importance of internships in building a professional portfolio.
- Identifying industries relevant to History graduates (e.g., Archival studies, Tourism, and Content Research).
- Skill sets required to secure high-value placements.
- The role of Gtec in facilitating technical and administrative training for interns.

Participation

The event saw active participation from students and faculty members. The organizing committee, led by **Dr. K. Baby** and supported by members including **Dr. I. Jalajakumari** and **Dr. V. Pradeepa**, ensured the smooth execution of the event under the guidance of the Patron, **Dr. Sr. Mary Gilda**, and Chairperson, **Dr. Sr. Sahaya Selvi**.

Outcomes of the Programme

The orientation achieved the following measurable outcomes:

- **Professional Clarity:** Students gained a comprehensive understanding of how internships function and the specific expectations of the modern corporate and research environment.
- **Skill Identification:** Participants identified critical "soft skills" and "digital literacy" requirements necessary to supplement their historical knowledge.
- **Networking:** The session established a direct line of communication between the students and Gtec, opening doors for future placement and training modules.
- **Career Motivation:** Feedback indicated a significant increase in student confidence regarding their post-graduate career prospects and the practical application of their degree.

PG & RESEARCH DEPARTMENT OF HISTORY ORGANISES

5 days online FACULTY DEVELOPMENT PROGRAMME

03 March 2026 to 07 March 2026

REPORT

PG & Research Department of History and IKS Cell – Gnanakendra, Holy Cross College (Autonomous), Nagercoil, in collaboration with the School of Arts & Humanities, St Aloysius (Deemed to be University), Mangaluru, organized a Five-Day Online Faculty Development Programme on “Indian Knowledge System” from 03 March 2026 to 07 March 2026 between 6.30 pm and 8.00 pm.

The programme aimed to enhance academic understanding of the Indian Knowledge System and encourage interdisciplinary dialogue among scholars and faculty members. Experts from various reputed institutions delivered lectures on diverse themes connected with Indian knowledge traditions, culture, society, and interdisciplinary research perspectives.

The Faculty Development Programme commenced on 03 March 2026. The first session was delivered by Rev. Sunil Nallathambi, President, Global Gospel Mission, USA. He spoke on the relevance of Indian Knowledge Systems in understanding ethical values and cultural traditions. He emphasized the importance of integrating indigenous knowledge with modern education. The second session was handled by Dr Joan O’Brien, Assistant Professor and Head, Department of Sociology, St Aloysius University. She discussed sociological perspectives in Indian Knowledge traditions and highlighted the importance of community wisdom, social harmony, and cultural continuity. The sessions were highly interactive and participants engaged in meaningful discussions on the importance of preserving traditional knowledge.

On the second day, Dr C Justin Selvaraj from the School of Performing Arts, Madurai Kamaraj University, delivered the first lecture. He explained the role of performing arts such as music, dance, and theatre in transmitting Indian Knowledge traditions through generations. The session highlighted how art forms serve as cultural archives.

The second session was conducted by Dr Shakila Hegde, Associate Professor, Department of Political Science, St Aloysius University. She explained the relevance of Indian political thought, governance principles, and classical philosophical ideas in shaping modern democratic values. Participants appreciated the interdisciplinary approach that connected art, culture, and governance within the framework of Indian Knowledge Systems.

The fourth day's first session was delivered by Dr S Jeevanandam from the Centre for Women's Studies, School of Social Sciences, Jawaharlal Nehru University, New Delhi. He spoke about the representation of women in Indian knowledge traditions and highlighted gender perspectives in classical literature and historical narratives.

The second session was handled by Dr Vidya Vinutha D'Souza, Assistant Dean, School of Arts and Humanities, St Aloysius University. She elaborated on interdisciplinary research possibilities within the Indian Knowledge System and encouraged young scholars to pursue innovative research. The day concluded with an engaging interaction between the speaker and participants.

The final day of the Faculty Development Programme featured Dr Muthukumar, Associate Professor, Rani Anna Government College, Tirunelveli. He discussed historical sources that reveal the richness of Indian knowledge traditions and explained the importance of preserving traditional historical records and indigenous scholarship.

The concluding lecture was delivered by Mr Prajath Hegde from the Department of Visual Communication, St Aloysius University. He spoke about the role of media and visual communication in promoting and documenting Indian Knowledge Systems for wider audiences. The programme concluded with a valedictory note appreciating the speakers and participants. The five-day FDP successfully provided an enriching academic platform for understanding and promoting Indian Knowledge Systems in higher education.

Moderators

Day 1 Dr.Bhuvana Assistant Professor of Zoology , HCC NGL
Day 2 Ms.Monika Department of English & Media Communication
DAY 3 Dr. J.Bhavani Department of English, HCC NGL
Day 4 Dr.Brabha Department of Commerce, HCC NGL
Day 5 Ms.Asheeni Department of CFT, HCC NGL

Welcome Address

Day 1 Dr.Regis, Department of History, HCC NGL
Day 2 Ashok B. Robinson from Department of Social Work, HCC NGL
DAY 3 Dr..Mona, , St Aloysius (Deemed to be University), Mangaluru.
Day 4 Dr.R.Abilasha Department of English, HCC NGL
Day 5 Dr.Regis Department of History, HCC NGL

Day 1 – 03 March 2026

Day 2 – 04 March 2026

Day 3 – 05 March 2026

René Descartes, posited the self as a unitary identity accessible through introspection. In contrast, contemporary theories consider both internal and external influences on self-development. Psychodynamic theories, including those from Sigmund Freud and Carl Jung, emphasize the emotional and relational aspects of selfhood, while developmental theories by Erik Erikson highlight identity formation across the lifespan through psychosocial challenges.

Historical and existential perspectives advocate for viewing the self as a holistic entity rather than fragmented parts. Meanwhile, social cognitive theory introduces concepts like self-efficacy, understanding how individuals regulate their behaviors and motivations. The interplay of culture and gender is also critical, demonstrating that self-concept can differ significantly across societal contexts, particularly between individualistic and collectivist cultures. Lastly, postmodern theories suggest that identities are constructed through social interactions and narratives, reflecting the fluidity of the self in the context of modern life. These diverse theories illustrate that the self is a complex and dynamic construct, shaped by various psychological, social, and cultural factors.

Constituent Assembly of India

- The Constituent Assembly was responsible for drafting the Constitution.
- First meeting held on 9 December 1946.
- Dr. B.R. Ambedkar served as its President.
- Composition:
 - Members elected indirectly by provincial legislative assemblies.
 - Included representatives of different regions, religions, and communities.
 - Total members initially 389 (later reduced after Partition).
- Function:
 - Drafted constitutional principles.
 - Drafted provisions for government, rights, and federal structure.

Feedback

- The programme was well-organized and systematically planned.
- The topic was relevant and useful for academic development.
- Resource persons delivered clear and insightful presentations.
- Sessions enhanced knowledge on Indian Knowledge Systems.
- The content was informative and thought-provoking.
- Online platform was smooth and easy to access.
- Time management was effective throughout the programme.

REPORT

Objectives

- To provide practical and theoretical knowledge on blood group testing and identification.
- To create awareness about the clinical importance of blood compatibility and related health conditions.
- To enhance students' understanding of clinical pathology techniques such as urinalysis and diagnostic testing.

The PG and Research Department of Chemistry, Holy Cross College (Autonomous), Nagercoil, in collaboration with St. Xavier's Catholic College of Nursing, organized a workshop on "Blood Group Testing and Identification" on 05 March 2026 at 1:00 p.m. The programme was conducted with the objective of imparting hands-on training and theoretical knowledge in clinical diagnostic techniques.

The session was handled by Dr. R. Vigila Christy, Assistant Professor, St. Xavier's Catholic College of Nursing, Chunkankadai, Nagercoil, who served as the resource person. The programme commenced with an introduction, followed by an engaging and informative session. A practical and theory session on Blood Grouping was conducted, where students learned to identify and classify different blood groups such as A⁺, B⁺, AB⁺, and negative groups. The session also emphasized the clinical significance of blood compatibility, especially in transfusion practices and medical emergencies. The hands-on training enabled students to gain practical exposure to diagnostic procedures and laboratory techniques. The session was interactive, allowing students to clarify doubts and actively participate in demonstrations. The programme concluded with a vote of thanks, expressing gratitude to the resource person, management, faculty members, and students for their active participation and support.

Outcome

Students acquired practical skills in blood group identification and understood the importance of blood compatibility. Participants gained knowledge about clinical conditions like Hemolytic Disease of the Newborn and their medical relevance. Students developed basic competencies in urinalysis and rapid diagnostic techniques using urine dipsticks.

Impact

The workshop enhanced students' clinical and laboratory skills, improving their practical knowledge in diagnostics. It increased awareness about disease identification and preventive healthcare practices. The session bridged theoretical learning with real-time medical applications, preparing students for future clinical and research careers.

Visit to NIMS Medi City

6.03.2026

Organized by

PG and Research Department of Zoology

MOU ACTIVITY

Patron: Dr.Sr. M.Mary Gilda
Chair person: Dr.Sr.S.Sahaya Selvi
Convenor: Dr.A.Shyla Suganthi
Organizing Secretary: Dr.J.Vinoliya

Objectives:

To bridge the gap between theoretical knowledge and practical application in the field of bioinstrumentation and diagnostic techniques.

The visit to NIMS medi city which comprises hospital, clinical and molecular labs and research laboratories provided valuable insight into various diagnostic techniques used in clinical, microbiology, and molecular biology laboratories. In the hematology section, automated analyzers like XN-350 were used to perform complete blood count tests efficiently. The microbiology section demonstrated culture techniques such as plating, streaking, and incubation to identify pathogenic microorganisms. Drug sensitivity testing using the disc diffusion method helped determine effective antibiotics. Blood samples were incubated for detecting infections like HIV, HBsAg, and HCV. In clinical pathology, urine analysis was carried out using automated machines to detect abnormalities. Important equipment such as laminar air flow ensured a sterile environment, while centrifuges separated components based on density. The ultrasonic processor and lyophilizer were used for sample processing and preservation. In the molecular biology lab, samples were collected for analyzing DNA /RNA samples of patients and software like AutoDock and Schrodinger supported drug discovery research. Overall, the visit enhanced the practical understanding of modern laboratory technologies and diagnostic procedures.

Impact:

The laboratory visit improved the awareness of modern diagnostic methods and laboratory practices. It motivated to develop practical skills and pursue further learning in clinical and research fields.

Outcome:

The laboratory visit enhanced the practical understanding of diagnostic techniques and modern laboratory equipment. It helped us connect theoretical knowledge with real-world applications in disease diagnosis and research.

Feedback

The students felt that they had an enriching experience and this visit has kindled an interest to pursue their internship in computer aided drug design and also carry out research in molecular and clinical diagnostics.

REPORT

INTERNSHIP DRIVE”

Objectives:

- To enhance students’ problem-solving abilities and creative thinking skills by guiding them through structured ideation processes.

The Holy Cross Innovation and Incubation Centre (HCIIC) in collaboration with the Institution’s Innovation Council, R-Shell Info Service, and Treehugs organised an Internship Drive at St. Joseph’s Hall on 11-03-2026 from 10:00 am to 2:00 pm. The drive aimed to provide students with valuable exposure to industry-oriented roles and career opportunities. The primary objective of the programme was to equip students with essential knowledge of professional expectations, enhance their employability skills, and create a platform for interaction with industry partners across diverse domains such as marketing, research, development, HR, and web technologies. The drive was conducted by Mr. G. Christ Jose, Founder, R-Shell Info Service and Dr. Meera Divya, Founder of TREEHUGS, Chief Scientific Officer and Co-founder of Snap Znack, Chennai for the selection of interns for their respective companies.

A total of 20 participants from in and around Kanyakumari district took part in the drive, reflecting active student engagement and regional outreach. By the end of the programme, students gained a clear understanding of various internship roles and the competencies required for each position. They were able to identify their areas of interest, apply for suitable roles, and demonstrated improved confidence in communication and professional presentation. Notably, five students were selected by Mr. G. Christ Jose and Dr. Meera Divya for internships in their respective companies, marking a successful outcome of the drive. The impact of the internship drive was significant in fostering career readiness and bridging the gap between academia and industry. It motivated students to actively pursue skill development aligned with industry needs and strengthened their entrepreneurial and professional mindset. Overall, the programme contributed to enhancing students’ preparedness for future careers and encouraged them to explore innovative and research-driven pathways.

Outcome: Participants identified suitable career paths aligned with their interests and skills.

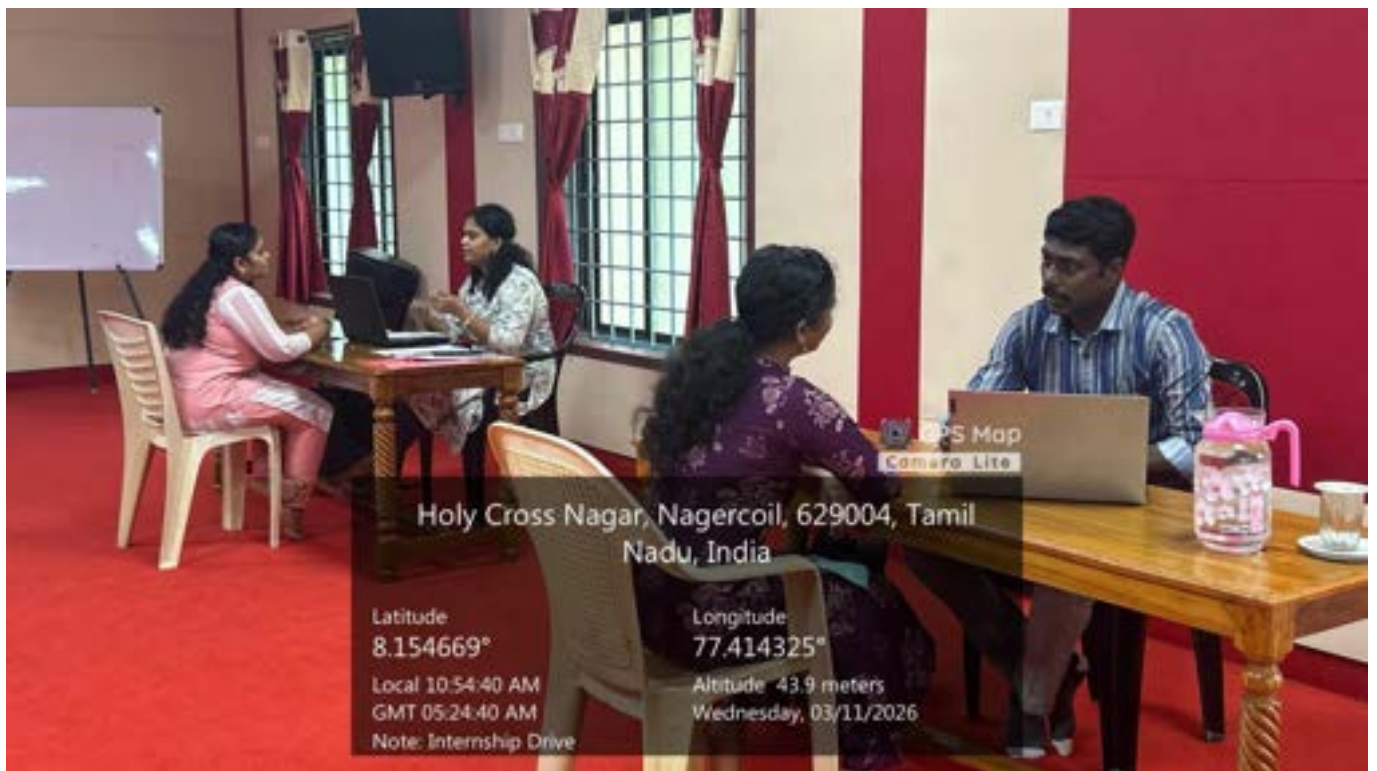

Impact: The internship drive strengthened students’ career readiness and employability skills.

FEEDBACK

- The internship drive was highly informative and provided valuable insights into industry expectations.
- Participants appreciated the opportunity to interact directly with industry experts.
- The session helped in improving confidence and clarity regarding career choices.
- Students found the selection process well-organized and professionally conducted.
- The programme motivated participants to enhance their skills and prepare for future opportunities.
- The drive was engaging, beneficial, and relevant to students' career development.

REPORT ON “STAFF EXCHANGE PROGRAM”

Objectives

- To promote academic collaboration between institutions
- To exchange innovative teaching methodologies
- To enhance subject knowledge in fashion and apparel design
- To expose faculty to new technologies and industry practices
- To strengthen institutional partnerships
- To support SDG 4: Quality Education
- To encourage professional development among faculty.

We are delighted to invite you to the Staff Exchange Program organized jointly by the Department of Costume Design and Fashion, Holy Cross College, Nagercoil, and Holy Cross Home Science College, Thoothukudi.

This program aims to foster academic collaboration, exchange innovative teaching practices, and strengthen institutional relationships between faculty members. The Staff Exchange Program was successfully organized by the Department of Costume Design and Fashion, Holy Cross College (Autonomous), Nagercoil, in collaboration with the Department of Fashion Designing and Apparel Making, Holy Cross Home Science College, Thoothukudi.

The program commenced at 11:00 AM with a warm welcome to the faculty members from both institutions. The objective of the program was to promote academic collaboration, enhance teaching methodologies, and share innovative practices in fashion education.

The session included:

- Faculty interaction and knowledge-sharing sessions
- Demonstration of advanced techniques in costume design and apparel making
- Discussion on curriculum development and industry trends
- Exchange of teaching strategies and practical approaches

The convenor, Mrs. T. Menaka, highlighted the importance of collaborative learning and interdisciplinary exposure. Faculty members actively participated in discussions, making the session highly engaging and productive. The program concluded at 1:00 PM with a vote of thanks, emphasizing continued collaboration between the institutions.

Outcome:

- Improved understanding of advanced fashion techniques
- Exposure to diverse teaching styles and methods
- Enhanced creativity and design thinking
- Better awareness of industry trends
- Strengthened practical skills in apparel making
- Increased motivation towards academic excellence
- Development of collaborative learning skills.

STUDENTS FEEDBACK

- The program was highly informative and engaging.
- Faculty interaction provided valuable insights.
- Practical demonstrations were very useful.
- The session enhanced our creative thinking.
- Exposure to new techniques was beneficial.
- The collaboration was well organized.
- The program improved our understanding of industry trends.
- Faculty explanations were clear and effective.
- The event encouraged active participation.
- It helped bridge the gap between theory and practice.
- The session was interactive and interesting.
- Students gained confidence in their skills.
- The program inspired innovative design ideas.
- Time management of the event was good.
- The content was relevant to current trends.
- The collaboration between colleges was commendable.
- It enhanced teamwork and communication skills.
- The program motivated us to explore new concepts.
- The learning environment was positive and supportive.
- Overall, the program was highly beneficial and successful.

REPORT

Hands-on session on

“Mock Test for Competitive Examinations”

Objectives:

- To promote awareness about various competitive examinations
- To encourage students on the preparation for competitive examination
- To give an idea on the questions asked in the competitive examination

The PG and Research Department of Mathematics organised a talk on “Mock Test for Competitive Examinations” on 12th March 2026 from 11:45 a.m. to 12:45 p.m. in room no. 72. The session aimed at sensitizing students about various competitive examinations and its preparations. The session commenced with a prayer song by III UG students of Mathematics creating a serene positive tone for the event. This was followed by the welcome address delivered by Ms. S. Bavatharini of III B.Sc. Mathematics, who warmly welcomed the resource person, faculty members, and all the students present. The resource person, Mrs. P. Jasvin Jeni, Senior Maths Lecturer, ECC Academy, Nagercoil, delivered an insightful talk about competitive examinations. She conducted a mock test by giving sample question paper to the students and analysed the performance of each student. She explained the tips and tricks behind each question and explained it clearly. She motivated the students to attempt the competitive examinations. The session was highly interactive and engaging, with students actively participating and answering the questions.

The talk concluded with the vote of thanks delivered by Ms. V Motcha Alphons Saniya, III B.Sc. Mathematics, who expressed gratitude to the resource person, the Head of the Department and the students.

Outcome: Participants gained awareness on the questions asked in a competitive examination

Impact: Helped students on self-analysis on the mock test

FEEDBACK

Hands-on session on “Mock Test for Competitive Examinations”

FEEDBACK

- The mock test for competitive examinations organized by the PG & Research Department of Mathematics in collaboration with ECC Academy was a highly beneficial and well-structured programme.
- The session, handled by the resource person Mrs. P. Jasvin Jeni, provided valuable insights into exam patterns and effective problem-solving strategies.
- The time-bound test environment helped students assess their preparedness and improve their time management skills.
- The content of the test was relevant and aligned with various competitive examinations, making it practical and outcome-oriented.
- The organization of the programme was smooth, and the coordination by the department ensured active participation.
- Overall, the programme was informative, engaging, and significantly useful for students aspiring for competitive exams.

MOU ACTIVITY REPORT

Title of the Programme: Le français à travers les contes

Celebrating International Francophonie Day 2026

French Through Stories (Le français à travers les contes)

Unlocking Language through the Power of Narratives

OBJECTIVE

- To celebrate **International Francophonie Day** by promoting the richness and diversity of the French language.
- To enhance students' communicative competence through storytelling techniques.
- To develop vocabulary and creativity among learners of Part I French.
- To introduce innovative learning strategies, including AI-based story creation.
- To strengthen academic collaboration under the MOU between Holy Cross College and Fatima Mata National College.

REPORT

In connection with **International Francophonie Day 2026**, which celebrates the global presence of the French language and unites more than 300 million French speakers across five continents, the Department of French, Holy Cross College (Autonomous), Nagercoil, in collaboration with Fatima Mata National College (Autonomous), Kollam, organized an online webinar titled "*Le français à travers les contes*" on **19th March 2026** from **6:00 pm to 7:00 pm**.

The programme aimed at *unlocking language through the power of narratives*, emphasizing that beyond grammar and syntax, stories form the heart of any language. The session highlighted how short stories from the Francophone world can deepen understanding, improve fluency, and connect learners to global cultures.

The event was conducted primarily through **Google Meet**, which provided a smooth and accessible platform for interaction. Additionally, the session was also supported via **Zoom**, ensuring wider participation and technical convenience for attendees.

The programme was compered by **Dr. Lynda**, who guided the session effectively.

The event began with a **prayer song by the Sisters of Holy Cross**, invoking divine blessings.

The **welcome address** was delivered by **Ms. Parvathi A. Lal from Fatima Mata National College**, who warmly welcomed the gathering and highlighted the importance of such collaborative initiatives.

The **resource person, Dr. Shoba Liz John**, Associate Professor, Sacred Heart's College (Autonomous), Thevara, Kochi, conducted an engaging and insightful session. She emphasized the role of storytelling in language learning and demonstrated how narratives can make French learning lively and meaningful.

Highlights of the Session:

- Students learned **vocabulary related to stories and narration**.
- The session was **highly suitable for Part I French students**, catering to their learning level.
- Students were **trained to create stories using AI tools**, integrating technology with language learning.
- **Four students presented their own stories**, showcasing creativity and confidence.

The session concluded with a **vote of thanks by Ms. Angeline Mira from Holy Cross College**, expressing gratitude to all those involved.

IMPACT

- Enhanced students' interest in French through creative learning.
- Improved vocabulary and storytelling skills.
- Encouraged the integration of technology (AI tools) in language learning.
- Strengthened institutional collaboration under the MOU.
- Promoted awareness about Francophone culture and global connections.

OUTCOME

- Students developed the ability to use French in creative and practical contexts.
- Increased confidence in speaking and writing French.
- Exposure to innovative and interactive teaching methodologies.
- Better understanding of the cultural significance of Francophonie.

EVIDENCE OF SUCCESS

- Participation of **253 students** in the webinar.
- Active engagement and interaction during the session.
- Successful presentation of stories by students.
- Positive feedback from participants and faculty.
- Smooth execution using online platforms (Google Meet and Zoom).

STUDENT FEEDBACK

Students reported that:

- The session was **interactive and enjoyable**.
- Story-based learning made French **easier and more interesting**.
- The use of **AI in storytelling was innovative and beneficial**.
- They felt more confident in using new vocabulary.
- They appreciated the opportunity to present their own creative work.

REPORT

Objectives

- To create awareness among students about the importance of water quality parameters in environmental monitoring and public health.
- To provide insights into physical, chemical, and biological parameters used in water quality assessment.
- To highlight future perspectives, challenges, and innovations in water quality analysis and management.

The PG and Research Department of Chemistry, Holy Cross College (Autonomous), Nagercoil, in collaboration with Galileovasan Offshore Research & Development Pvt. Ltd., organized a session on “Water Quality Parameters: Key Insights and Future Perspectives” on 20 March 2026 at 2.00 p.m. The programme aimed to enrich students’ understanding of water quality assessment and its significance in environmental sustainability and human welfare.

The session commenced with a prayer, followed by a welcome address by Ms. Gifta Lenin Sunitha Saviour. The resource person, Er. G. M. Srinivasan, Managing Director and Petrochemical Technologist, Galileovasan Offshore R & D Pvt. Ltd., Nagapattinam, delivered an insightful lecture on water quality monitoring. He explained key water quality parameters such as pH, turbidity, total dissolved solids (TDS), dissolved oxygen (DO), biological oxygen demand (BOD), chemical oxygen demand (COD), hardness, alkalinity, chlorides, and microbial contamination. He emphasized the importance of regular monitoring and scientific analysis to ensure water safety for domestic, agricultural, and industrial use.

The speaker also discussed major sources of water pollution, including industrial discharge, domestic waste, and agricultural runoff, highlighting their impact on ecosystems and human health. He further elaborated on advanced analytical techniques, innovations in water treatment, and future challenges in water quality management. The session was interactive, with students actively engaging in discussions and clarifying their doubts. It effectively connected theoretical knowledge with practical applications in environmental chemistry. The programme concluded with a vote of thanks by Ms. R. Ancy Geo Reena.

Outcome

Students gained a clear understanding of key water quality parameters and their role in environmental monitoring. The session enhanced awareness of water pollution sources, analytical techniques, and treatment methods. Participants developed interest in research and career opportunities in environmental chemistry and water management.

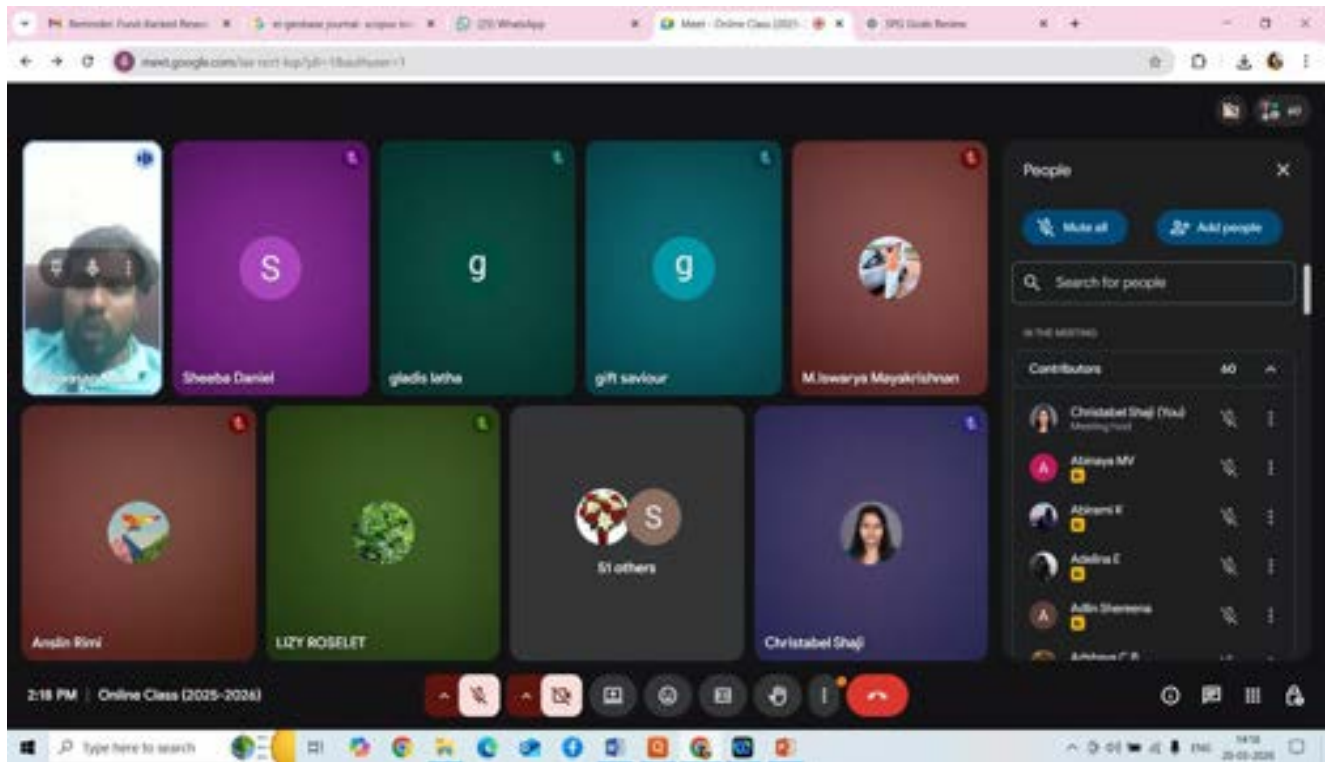

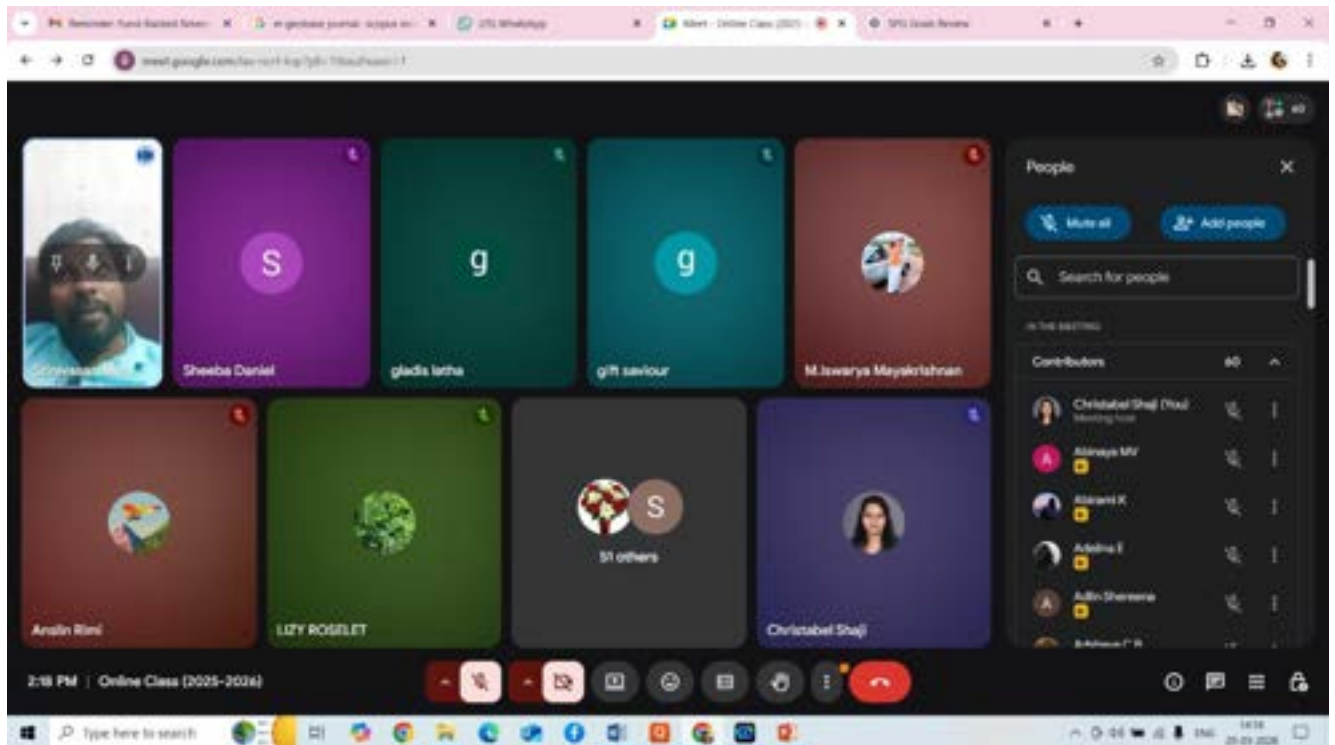

Impact

The programme increased students' awareness of sustainable water resource management and environmental protection. It motivated students to apply chemical knowledge in addressing real-world environmental challenges. The session strengthened the link between academic learning and practical applications, improving students' readiness for future careers.

PG & RESEARCH DEPARTMENT OF HISTORY ORGANISES

IIC Seminar on 3D in Archaeology

24-03-2026

Report

The PG & Research Department of History, Holy Cross College (Autonomous), Nagercoil, in collaboration with the Institution's Innovation Council (IIC), organized a webinar on “**3D in Archaeology**” on **24 March 2026 at 11.00 a.m.** through Google Meet. The programme aimed to introduce students and faculty to the innovative applications of 3D technology in archaeological studies.

Objective

The main objective of the webinar was to create awareness about the use of modern 3D technologies in archaeology, enhance digital research skills, and provide insights into preservation, reconstruction, and visualization of historical artifacts and sites.

Programme Details

The session began with a warm welcome by **Afiya (III B.A. History)**, who greeted the gathering and introduced the theme of the webinar. The programme was effectively anchored by **Apara (III B.A. History)**, who ensured the smooth flow of events.

The **Resource Person, Mr. Anesh Darrel**, from The Darrels Group, delivered an engaging and informative session. He explained how 3D technology is transforming archaeology through virtual reconstruction, digital preservation, and interactive learning. His presentation included practical examples and demonstrations, which made the session highly interesting and insightful.

The session was followed by a **felicitation by the Head of the Department, Dr. S. Regi**, who appreciated the resource person for his valuable contribution and highlighted the importance of integrating technology with historical research.

The programme concluded with a **vote of thanks by T. M. Darshini (III B.A. History)**, who expressed gratitude to the resource person, organizers, and participants for making the webinar a success.

Feedback

- The webinar was highly informative and introduced innovative concepts in archaeology.
- The topic on 3D technology was relevant and engaging for students.
- The resource person explained concepts clearly with practical examples.
- The session enhanced understanding of digital tools in archaeological studies.
- The presentation was interactive and maintained participants' interest.
- The organization and coordination of the programme were excellent.
- The online platform (Google Meet) functioned smoothly without interruptions.
- Students found the session useful for academic and research purposes.
- The webinar inspired interest in modern technological applications in history.
- Participants expressed willingness to attend more such innovative sessions in future.

PG & RESEARCH DEPARTMENT OF HISTORY ORGANISES

AI Tools and Office Automation

24-03-2026

Report

The Department of History at **Holy Cross College (Autonomous), Nagercoil**, in collaboration with **EduCAD Tech**, organized an MoU (Memorandum of Understanding) activity focused on the integration of modern technology in academic and administrative workflows. The session, titled "**AI Tools and Office Automation**," was held on March 24, 2026.

Program Overview

Topic: AI Tools and Office Automation

Date: 24-03-2026

Time: 9:30 a.m.

Venue: Room No. 78

Resource Person: Ms. Swetha, Software Developer, EduCAD Tech, Nagercoil.

Objectives

The primary goals of this initiative were: **Digital Literacy:** To introduce students and faculty of the History Department to the evolving landscape of Artificial Intelligence. **Skill Enhancement:** To provide practical knowledge on office automation tools that can streamline research, documentation, and data management. **Institutional Synergy:** To fulfill the objectives of the MoU between Holy Cross College and EduCAD Tech by bridging the gap between humanities and technical industrial expertise.

Outcome

Upon completion of the session, the following outcomes were observed: **Technical Proficiency:** Participants gained a foundational understanding of how AI tools can be applied to historical research and archival management. **Workflow Optimization:** Attendees learned techniques to automate repetitive clerical tasks, potentially reducing manual workload in "Office Automation" contexts. **Interdisciplinary Awareness:** The session successfully demonstrated that AI is not limited to STEM fields but is a vital asset for History scholars in the digital age.

Impact

Research Modernization: By equipping the Department of History with AI knowledge, the college is fostering a more modern approach to historical analysis and digital humanities. **Employability:** For students, exposure to office automation increases their competency in the modern job market, where digital proficiency is mandatory. **Strengthened Partnership:** This activity solidified the collaborative bond between the institution and EduCAD Tech, ensuring future knowledge-sharing opportunities for the academic community.

REPORT

Session

on

“START-UP LEGAL AND ETHICAL STEPS”

Objectives:

- To develop a comprehensive understanding of the legal procedures and ethical considerations involved in establishing and managing a startup.

The Internship Cell of the Institution's Innovation Council, Holy Cross College (Autonomous), Nagercoil in collaboration with Periyar University Business Incubation Confederation, Salem organized a Session on the topic “Start-up Legal and Ethical Steps” on 25-03-2026 at 11:00 am in Sr. Emilie's Seminar Hall. The main objective of the session was to equip students with essential knowledge about the legal procedures and ethical considerations involved in establishing and managing a startup. The resource person of the session was Ms. A. Gomathy, Chief Executive Officer, Periyar University Business Incubation Confederation, Periyar University, Salem.

The resource person elaborated on various aspects of starting a business, including business registration, licensing procedures, legal documentation, and compliance with government regulations. She emphasized the importance of ethical practices such as transparency, accountability, and social responsibility in building a sustainable and trustworthy enterprise. Real-time examples and case studies were discussed to help participants understand practical challenges and solutions in the entrepreneurial journey. The programme witnessed active participation from students, who showed keen interest throughout the session. Overall, the activity was highly beneficial in creating awareness about the legal and ethical framework of startups. It inspired students to think critically about entrepreneurship and encouraged them to adopt a responsible and value-based approach in their future ventures.

Outcome: Participants developed a strong awareness of the legal requirements and ethical obligations essential for establishing and managing a business.

Impact: The session created awareness about the legal and ethical framework of startups among the students and encouraged them to adopt a responsible and value-based approach in their future ventures.

Date: 25.03.2026

Venue: Sr. Emile's Seminar Hall

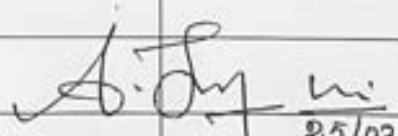

Time: 11.00 a.m to 01.00 p.m

Feedback

1. Give your opinion on the following:

Sl.No	Particulars	Excellent	V. Good	Good	Satisfactory
1.	How would you rate the overall quality of the session on "Start-up Legal & Ethical Steps"?	90%.	10%.		
2.	How effectively did the resource person explain the concepts?	95%.	5%.		
3.	How engaging and interactive was the session?	80%.	15%.	5%.	
4.	How well was the program organized and coordinated?	85%.	15%.		
5.	How useful was this programme in enhancing your knowledge about start-ups?	82%.	10%.	8%.	

2. Overall impression of the programme:

The program appears to be well-organized and professionally presented. It focuses on an important and relevant topic - start-up legal and ethical steps- which is Valuable for students.

The collaboration with an external organization and the inclusion of a qualified resource person add credibility. The design is clear, informative, and suitable for an academic event

REPORT

Report on Talk Series: Generative AI – Transforming Daily Activities

The Department of Commerce (SF), Holy Cross College (Autonomous), Nagercoil, in collaboration with AK Infopark Private Limited, organized a Talk Series on “Generative AI: Transforming Daily Activities” on 25th March 2026 at Room No. 109. The session was delivered by Mrs. Rinisha, AI Developer, Azenra Global, who served as the resource person.

The session aimed to introduce students to the rapidly evolving field of Generative Artificial Intelligence and its practical applications in everyday life and business environments. The speaker provided valuable insights into how AI tools are transforming various domains such as content creation, business automation, customer service, and decision-making processes.

Objectives

- To create awareness about Generative AI and its real-world applications
- To enhance students’ understanding of AI tools in business and commerce
- To bridge the gap between academic knowledge and industry practices
- To motivate students to explore career opportunities in AI and technology

Outcome

- Students gained a clear understanding of Generative AI concepts
- Enhanced knowledge about AI tools used in daily and professional activities
- Improved interest in technology-driven business solutions
- Students actively interacted and clarified their doubts during the session

Impact

- Encouraged students to adopt AI tools for learning and productivity
- Developed awareness about the future scope of AI in commerce and industry
- Inspired students to upgrade their technical and analytical skills
- Strengthened collaboration between academic institution and industry experts

Feed Back

Students felt that the session provided valuable insights into the practical applications of Artificial Intelligence in everyday life as well as in business activities. The resource person explained the concepts in a simple and understandable manner, which helped students grasp even complex ideas easily. The examples and real-time applications shared during the session made the topic more interesting and relatable.

Students appreciated the interactive nature of the session, as they were encouraged to ask questions and actively participate in discussions. Many students expressed that they gained new knowledge about various AI tools and how these tools can be used to improve productivity, creativity, and decision-making. The session also motivated students to explore more about AI and consider it as a potential career path.

Overall, students found the session to be useful, inspiring, and relevant to current trends. They expressed interest in attending more such sessions in the future, as it helps them stay updated with technological advancements and enhances their practical knowledge beyond the classroom.

REPORT
Seminar on
**“Career opportunities through Competitive Examinations:
Guidance and Preparation”**

Objectives:

1. To create awareness among students about various career opportunities through competitive examinations.
2. To provide guidance on effective preparation strategies and study techniques.

The Department of Mathematics (SF) organized a seminar on “Career Opportunities through Competitive Examinations: Guidance and Preparation” on 2nd April 2026 in Sr.Casilda’s Seminar Hall. This session aimed to inspire students to explore diverse career paths and prepare themselves effectively for future opportunities. The session commenced with a soulful prayer song by the students of II M.Sc Mathematics (SF). This was followed by the welcome address delivered by Ms. R. Binusha of II M.Sc Mathematics (SF), who warmly welcomed the resource person, faculty members, and all the students present.

The session featured Dr. N. Krishnammal, retired Professor of Mathematics at Holy Cross College and Director of Aditya Maths Academy, Nagercoil as the resource person. She delivered an insightful and motivating talk on the topic “Career Opportunities through Competitive Examinations: Guidance and Preparation.” In her session, she emphasized the importance of systematic planning, consistent practice, and a strong conceptual foundation as essential elements for success in competitive examinations. Her speech encouraged students to develop discipline and a focused approach towards their career goals.

Dr. N. Krishnammal provided detailed information about a wide range of career opportunities available through central government and Tamil Nadu state government examinations. She elaborated on various competitive exams such as railway recruitment exams, banking sector exams, and private sector recruitment tests, clearly explaining their structure, syllabus, and eligibility criteria. She also highlighted the scope and benefits associated with each career path, enabling students to understand the diverse opportunities available to them. Her clear and structured explanation helped students gain a broader perspective on career planning beyond traditional academic routes. The session concluded with the vote of thanks delivered by Ms. J. Jaya Shree of II M.Sc Mathematics (SF).

Outcome:

1. Gained clear knowledge about different competitive examinations and career paths.
2. Understood the importance of planning, time management, and consistent practice.
3. Felt motivated and confident to begin their preparation for competitive exams.

Impact:

1. Enhanced interest among students in pursuing careers through competitive examinations.
2. Improved clarity in career decision-making and goal setting.
3. Encouraged students to adopt systematic and regular study habits for long-term success.

Consolidated Feedback Form

Title: Seminar on "Career Guidance through Competitive Examinations"

Date: 02-04-2026

Resource Person: Mrs. N. Krishnammal, Director of Aditya Maths Academy, Nagercoil

No. of Participants: 41

S. No.	Questions	Excellent	Good	Average	Satisfactory
1.	Selection of the Topic	97%	3%	-	-
2.	Expertise of the Resource Person	98%	2%	-	-
3.	Clarity of Presentation	96%	4%	-	-
4.	Understanding of the Subject	96%	4%	-	-
5.	Overall Experiences	97%	3%	-	-

Comments from Participants:

1. The session was highly informative and provided clear guidance on various competitive examinations.
2. It helped me understand different career opportunities available through government exams.
3. The speaker motivated us to start early preparation with proper planning and strategy.
4. It inspired me to set clear career goals and work towards them confidently.

Organized by

Department of Physics

In Collaboration with

**Geo Spatial Campus, Axtinas Cottage,
Sarakkalvilai, Nagercoil-629002**

Date: 10-04-2026

Venue: Department of Physics

Objectives

To review and update the Physics curriculum by incorporating industry-relevant topics, emerging technologies, and skill-based learning approaches through industry-collaboration.

The Department of Physics organized a Board of Studies meeting on 10.04.2026 with the presence of University Nominee, subject experts and Industrialist Dr. Aran Castro, Research Coordinator and GIS Trainer, Geo Spatial Campus, Nagercoil, to strengthen academic–industry interaction and enhance the relevance of the curriculum. The session was led by Dr. Aran Castro who brought valuable industry insights into the discussion. The meeting aimed to review and update the existing syllabus in line with emerging technological trends and industry requirements.

During the deliberations, Dr. Aran Castro emphasized the importance of integrating interdisciplinary and application-oriented topics into the physics curriculum. He suggested the inclusion of emerging areas such as geospatial technologies, Geographic Information Systems (GIS), remote sensing applications, and data-driven analysis, which are increasingly relevant in both scientific research and industry practices. The discussion also focused on bridging the gap between theoretical knowledge and practical implementation through skill-based learning modules.

Furthermore, the industrial expert proposed the introduction of new value-added and certificate courses that would enhance students' employability and technical competencies. The Board members actively engaged in discussions and acknowledged the need for curriculum enrichment aligned with industry expectations. The meeting concluded with a consensus to incorporate the suggested changes, thereby ensuring that the physics programme remains dynamic, contemporary and career-oriented.

Outcome

- Enhanced curriculum relevance
- Integration of interdisciplinary areas such as GIS and remote sensing
- Improved practical exposure for students and overall strengthening of students' employability and readiness to meet current industry demands.

Lady Hawk Impact Course-3: Perfecting Phrasal Verbs

Organised by

Lady Hawk

Hosted by

PG & Research Department of English

Holy Cross College (Autonomous), Nagercoil

REPORT

Objectives

- To enhance students' understanding and accurate usage of phrasal verbs in spoken and written English.
- To develop listening skills through audio-based learning integrated with digital platforms.
- To promote self-paced and interactive learning using Google Forms and video-based exercises.

Course Description

The Impact Course titled "Perfecting Phrasal Verbs" was conducted over a period of 50 days. The course aimed at strengthening students' command over phrasal verbs, which are essential for natural and fluent communication in English.

The course was delivered through Google Forms, where each session included instructional videos, listening-based exercises, and activity-based questions. Students were required to listen carefully to the given content and complete the exercises accordingly. The digital format ensured flexibility, allowing learners to engage with the content at their own pace.

Participation

More than 180 students actively participated and benefitted from the course.

Outcome

The course improved students' understanding of phrasal verbs, listening skills, and confidence in communication. It also encouraged independent and digital learning.

Impact

The course successfully integrated technology into language learning and enhanced students' practical usage of English.

Report of UBA: 2025 – 2026

1. Title of the Programme	:	Street Play on child labour
Date	:	15-08-2025
Organized by	:	Departments of Physics Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness among villagers about the harmful effects of child labour and to promote the importance of education and child rights.
Resource Person	:	I M.Sc. Physics Students
Outcome of the Activity	:	Created awareness among villagers about the harmful effects of child labour
No. of Beneficiaries	:	57
Venue	:	Parakkai

Brief Description

The street play on child labour was performed by I M.Sc. Physics to educate villagers about the negative impact of child labour on children's health, education, and future on 15.08.2025 at Parakkai Village. Through an engaging and dramatic presentation, the students highlighted the importance of sending children to school, protecting their rights, and building a community that supports every child's growth and development.

2. Title of the Programme	:	Distribution of Supplementary Nutritious food
Date	:	15-08-2025
Organized by	:	Departments of Physics Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To improve the health and nutritional status of vulnerable groups, especially children and elders, by providing essential supplementary food in the village.
Resource Person	:	I M.Sc. Physics Students
Outcome of the Activity	:	The participants gained awareness about the health and Nutritional values of supplementary foods
No. of Beneficiaries	:	88
Venue	:	Parakkai

Brief Description

The I M.Sc. Physics students actively participated in a community outreach program by distributing supplementary nutritious food to the children and elders of the village on 15.08.2025 at Parakkai Village. The initiative aimed to improve the overall health and well-being of the children by addressing issues of under nutrition and promoting healthy eating habits. Along with food distribution, the students educated the villagers on the importance of maintaining a balanced diet, personal hygiene, and proper sanitation practices. This activity not only helped in preventing malnutrition but also fostered social responsibility and community engagement among the students.

3. Title of the Programme : Grama Sabha meeting

Date : 15-08-2025

Organized by : Department of Mathematics,
Holy Cross College (Autonomous), Nagercoil

Theme / Objective : i) To provide students with first-hand exposure to the functioning of local self-government and participatory democracy.

ii) To promote civic awareness and social responsibility among the students.

Resource Person : Ms. Tamil Selvi, the Deputy Block Development Officer (Audit)

Outcome of the Activity : Students gained practical knowledge about the decision-making process at the grassroots level of governance and they developed a sense of social commitment and responsibility towards community development.

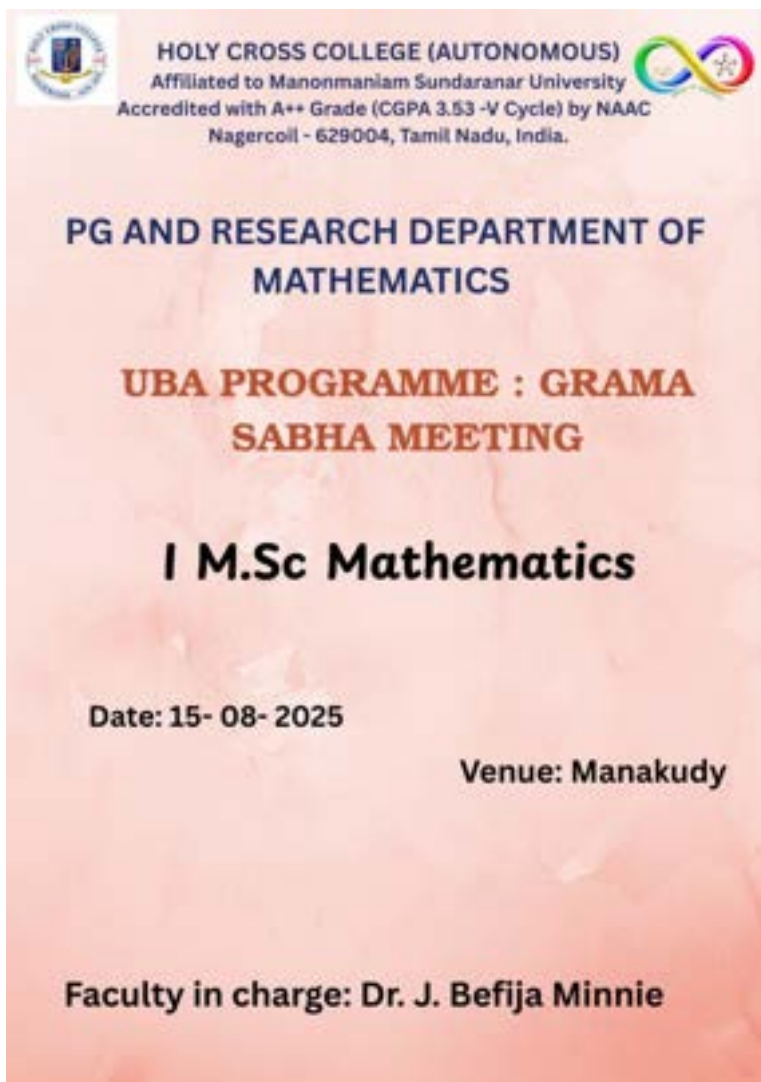

No. of Beneficiaries : 35

Venue : Manakudy

Brief Description

The Grama Sabha meeting held at Manakudy on 15 August 2025, presided over by Deputy BDO Ms. Tamil Selvi, brought together villagers, officials, and departmental representatives to discuss key local issues and development activities. The meeting covered the presentation of the income and expenditure statement, road maintenance concerns, irregular sanitation work, and the implementation of the 100 Days Employment Scheme. Villagers raised grievances regarding non-functioning streetlights, water tank maintenance, pipeline leakages, and unresolved electricity meter issues, for which officials assured timely solutions. The Deputy BDO instructed villagers to appoint a representative to monitor sanitation activities and emphasized ongoing welfare schemes such as the Kalaingar Kanavu Illam Thittam and Swachh Bharat Mission. Sanitation workers highlighted delays in salary payments, and the Deputy BDO promised to forward a report for clearance. The session concluded with thanks to the participants, followed by awareness programs on digital safety and cybersecurity, and a rally promoting environmental conservation.

4. Title of the Programme : Plantation of Nutri Garden in Household
- Date : 15.08.2025
- Organized by : PG and Research Department of Chemistry
Holy Cross College (Autonomous), Nagercoil
- Theme / Objective: To promote self-sufficiency and food security among rural families by encouraging the cultivation of nutrient-rich vegetables and greens at home, fostering awareness on organic and sustainable living practices, and strengthening the bond between the college and the local community under the Unnat Bharat Abhiyan scheme.
- Resource Person : Mr. Sankar, Panchayat President
- Outcome of the Activity: Rural families to adopt home gardening practices, leading to improved nutrition, self-sufficiency, and stronger community–college collaboration.

No. of Beneficiaries : 45
Venue : Parakkai, Nagercoil.

Brief Description

The *Plantation of Nutri Garden in Household* activity was organized under the Unnat Bharat Abhiyan (UBA) initiative by Holy Cross College (Autonomous), Nagercoil, in collaboration with the State Institute of Rural Development and Panchayat Raj (Government of Tamil Nadu). The program aimed to promote nutritional security, organic cultivation, and self-sufficiency among rural families by encouraging them to grow nutrient-rich vegetables and greens in their own households. An awareness session was conducted at Parakkai Village to educate community members on the importance of consuming homegrown vegetables and adopting eco-friendly agricultural practices. Faculty members and student volunteers demonstrated practical methods for preparing organic compost, selecting suitable seeds, and maintaining small kitchen gardens using available household resources. Seed packets of spinach, tomato, okra, and brinjal were distributed to participating families to initiate their home gardens. The program emphasized the use of organic manure, waste recycling, and minimal water usage, making it both cost-effective and sustainable. The enthusiastic participation of villagers and the continuous support from the college team made the event a successful model of community engagement and rural development under the UBA framework.

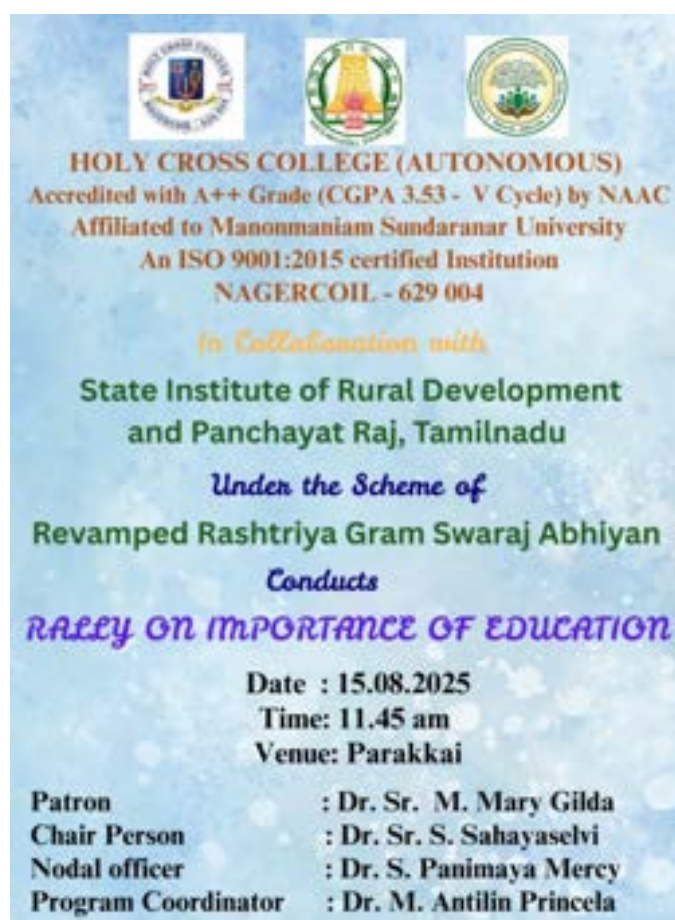

5. Title of the Programme : Rally on importance of Education

Date : 15-08-2025

Organized by : PG and Research Department of Chemistry
 Holy Cross College (Autonomous), Nagercoil

Theme / Objective	:	To create awareness among rural communities about the importance of education and to motivate parents and children to prioritize schooling for a better future.
Resource Person	:	Mr. Sankar, Panchayat President
Outcome of the Activity	:	The activity increased educational awareness among villagers and motivated families to prioritize and support their children's schooling.
No. of Beneficiaries	:	125
Venue	:	Parakkai, Nagercoil

6. Title of the Programme : Talk on Digital Safety

Date : 15-08-2025

Organized by : Departments of Mathematics (Aided)
Holy Cross College (Autonomous), Nagercoil

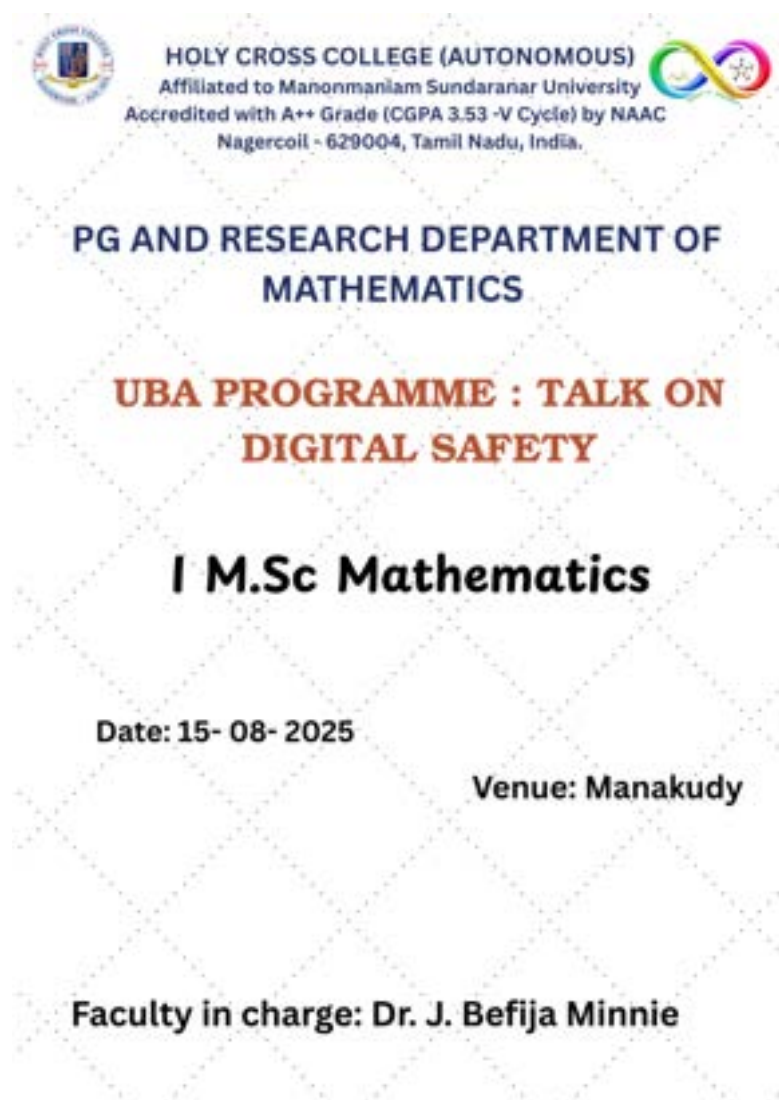

Theme / Objective : To create awareness among the rural community about Digital Safety

Resource Person : I M.Sc. Maths student

Outcome of the Activity : Created awareness among the rural community about Digital Safety

No. of Beneficiaries : 43

Venue : Manakudi

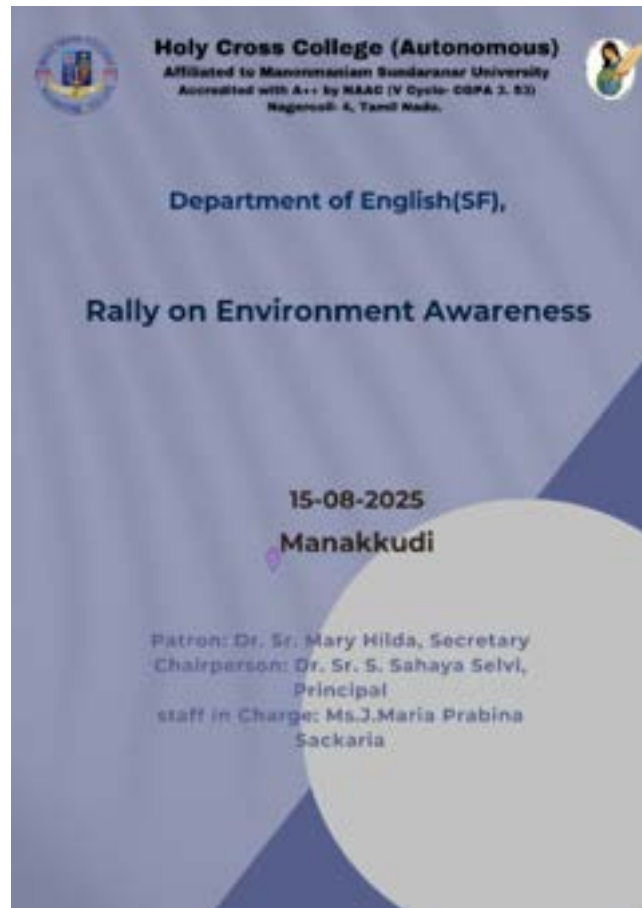

7. Title of the Programme	:	Rally on Environmental Awareness
Date	:	15-08-2025
Organized by	:	Departments of English SF & Maths (Aided) Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness among the rural community about cleanliness and hygiene
Resource Person	:	I M.A English SF students
Outcome of the Activity	:	The participants gained awareness about cleanliness and hygiene
No. of Beneficiaries	:	85
Venue	:	Manakudi

Brief Description

The First-Year Postgraduate students from the Department of English (Self-Finance) visited Manakkudi village as part of their community engagement programme. During their visit, they actively participated in the Grama Sabha meeting, which provided them with valuable insights into the functioning of the village panchayat system. Through this experience, the students gained a practical understanding of local governance, decision-making processes, and the ways in which developmental activities are planned and implemented at the grassroots level. In addition to attending the meeting, the students took an active role in promoting

environmental awareness among the villagers. They organized a rally emphasizing the importance of cleanliness and hygiene, encouraging the local residents to maintain their surroundings free from pollution and waste. The rally aimed to inspire a collective sense of responsibility towards environmental protection.

8. Title of the Programme	:	Removal of Plastics
Date	:	15-08-2025
Organized by	:	Departments of Maths Aided Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness among the rural community about the evil effects of Plastics
Resource Person	:	I M.Sc Maths Students
Outcome of the Activity	:	Created awareness among the rural community about the evil effects of Plastics
No. of Beneficiaries	:	38
Venue	:	Manakudi

Brief Description

The students engaged in a cleanliness drive, during which they collected and removed plastic waste from different parts of the village. This hands-on activity not only contributed to improving the cleanliness of the area but also served as a practical lesson on sustainability and social responsibility. The visit to Manakkudi village proved to be a meaningful and

educational experience, allowing the students to blend classroom learning with real-life community interaction, fostering both civic awareness and environmental consciousness.

9. Title of the Programme : Pamphlet distribution

Date : 15-08-2025

Organized by : Departments of English S.F & Maths Aided
Holy Cross College (Autonomous), Nagercoil

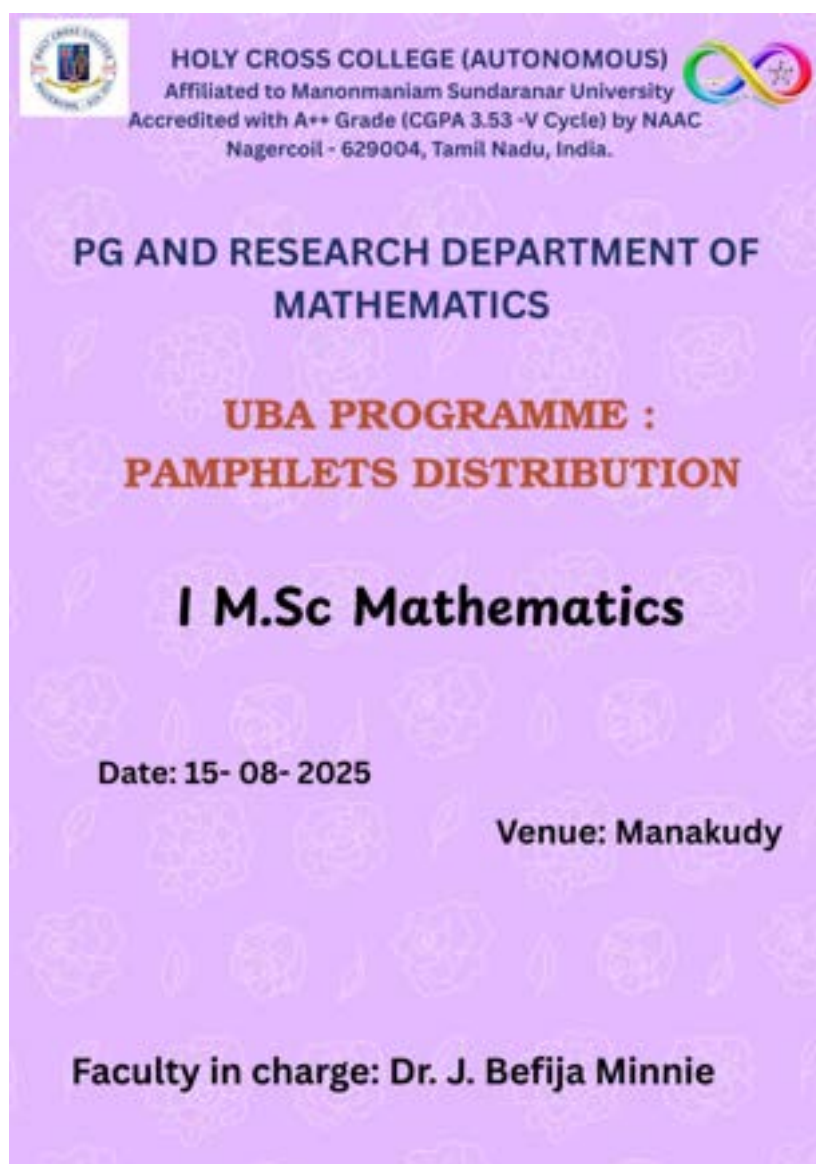

Theme / Objective : To create awareness among the rural community about
Cyber Security

Resource Person : I M.Sc Maths Students

Outcome of the Activity : The participants gained awareness about Cyber Security

No. of Beneficiaries : 50

Venue : Manakudi

10. Title of the Programme : Grama Sabha Meeting
- Date : 11-10-2025
- Organized by : Department of English (Aided)
Holy Cross College (Autonomous), Nagercoil
- Theme / Objective : To promote awareness of rural governance and the functioning of Grama Sabha.

Resource Person	:	I M.A Maths Students
Outcome of the Activity	:	The participation helped students appreciate the structure and purpose of local self-government. It inspired civic responsibility and reinforced the department's mission to integrate academic learning with social experience.
No. of Beneficiaries	:	37
Venue	:	Manakudi

Brief Description

As part of the Unnat Bharat Abhiyan initiative, the PG & Research Department of English, Holy Cross College (Autonomous), Nagercoil, participated in the Grama Sabha meeting held at Manakudy on 11th October 2025. Students and faculty members actively engaged in the session, gaining valuable insights into local self-governance, decision-making processes, and developmental issues discussed at the village level. The participants observed the democratic procedures of rural administration and interacted with community members and panchayat officials.

Place: Manakudy

Organiser: Dr. M.F. Anne Feril

11. Title of the Programme	:	Grama Sabha Meeting and Awareness Campaign on different Social Security Schemes
Date	:	11-10-2025
Organized by	:	Department of Physics Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To attend the Grama Sabha meeting, create awareness on various Social Security Schemes, and promote Child Rights through a village rally
Resource Person	:	Dr.P.Aji Udhaya, Assistant Professor of Physics
Outcome of the Activity	:	Increased awareness among villagers about various Social Security Schemes and their benefits and enhanced the understanding of the importance of Child Rights and child protection within the community.
No. of Beneficiaries	:	83
Venue	:	Parakkai Village

Brief Description

The I M.Sc. Physics students conducted an Awareness Campaign on Different Social Security Schemes on 11.10.2025 at Parakkai village. The campaign aimed to educate villagers about various government welfare programs that ensure financial support, healthcare, and social protection. As part of the event, the students created awareness on cybersecurity through a song, distributed pamphlets on the Right to Information, and organized a rally on child rights. These activities helped the villagers understand the importance of accessing social security benefits and safeguarding their rights for a better quality of life.

12. Title of the Programme	:	Rally on Children Rights
Date	:	11-10-2025
Organized by	:	Departments of Physics Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To spread awareness about the fundamental rights of children and to encourage the community to protect and uphold these rights for ensuring every child's safety, well-being, and holistic development.
Resource Person	:	Dr.P.Aji Udhaya, Assistant Professor of Physics
Outcome of the Activity	:	Created awareness about child rights
No. of Beneficiaries	:	135
Venue	:	Parakkai

Brief Description

The I M.Sc. Physics students organized a rally on Children's Rights on 11.10.2025 at Parakkai village to raise awareness among the villagers about the importance of protecting and promoting the rights of every child. Carrying banners and chanting slogans, the students emphasized key issues such as the right to education, protection from child labour, and the need for a safe and supportive environment. The rally motivated the local community to take active responsibility in safeguarding children's welfare and ensuring their overall growth and development.

13. Title of the Programme : Awareness Campaign on Cyber security

Date : 11-10-2025

Organized by : PG and Research Department of Chemistry
Holy Cross College (Autonomous), Nagercoil

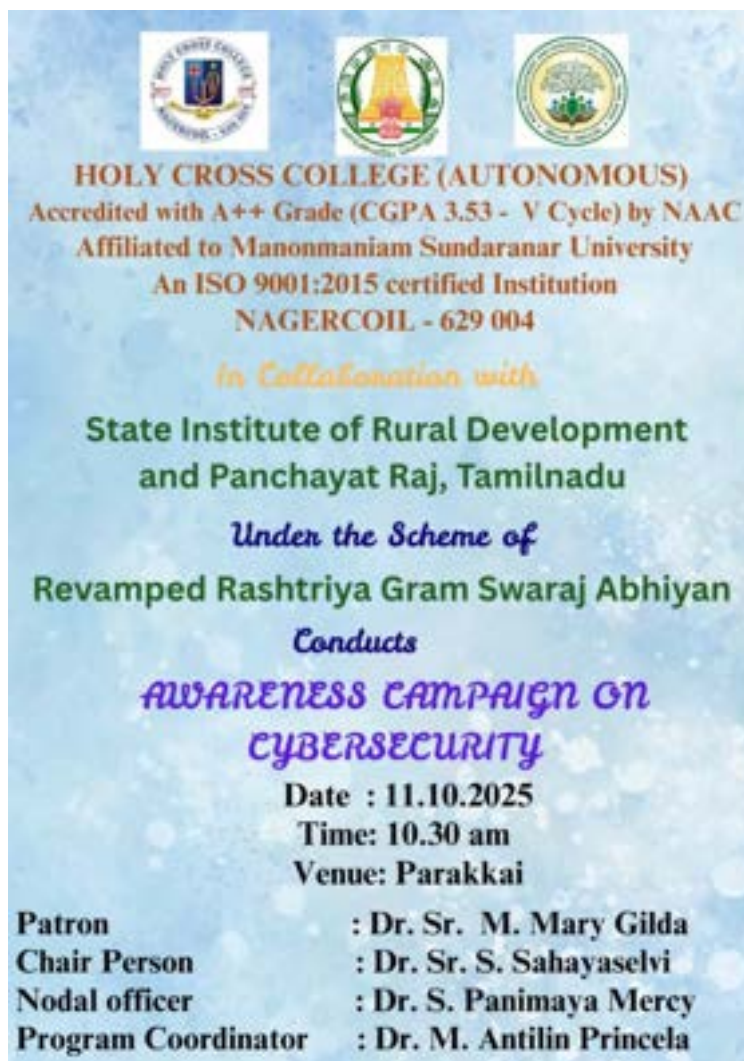

Theme / Objective : To promote digital safety and responsible online behavior by creating awareness about cyber security threats and preventive measures among students and rural community members.

Resource Person : Mr. Sankar, Panchayat President

Outcome of the Activity: Participants gained practical knowledge on safe internet practices and became more aware of cybersecurity threats and preventive measures.

No. of Beneficiaries : 120

Venue : Parakkai, Nagercoil

14. Title of the Programme	:	Awareness talk on People's Plan Campaign
Date	:	11-10-2025
Organized by	:	PG AND RESEARCH DEPARTMENT OF CHEMISTRY Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To promote awareness on participatory rural governance and encourage active community involvement in the People's Plan Campaign for sustainable village development.
Resource Person	:	Mr.Antony, Panchayat President
Outcome of the Activity:		The activity enhanced public awareness and motivated community members to actively participate in local governance and developmental planning processes.
No. of Beneficiaries	:	98
Venue	:	Parakkai, Nagercoil

15. Title of the Programme : Nutri Garden Seed Delivery

Date : 11-10--2025

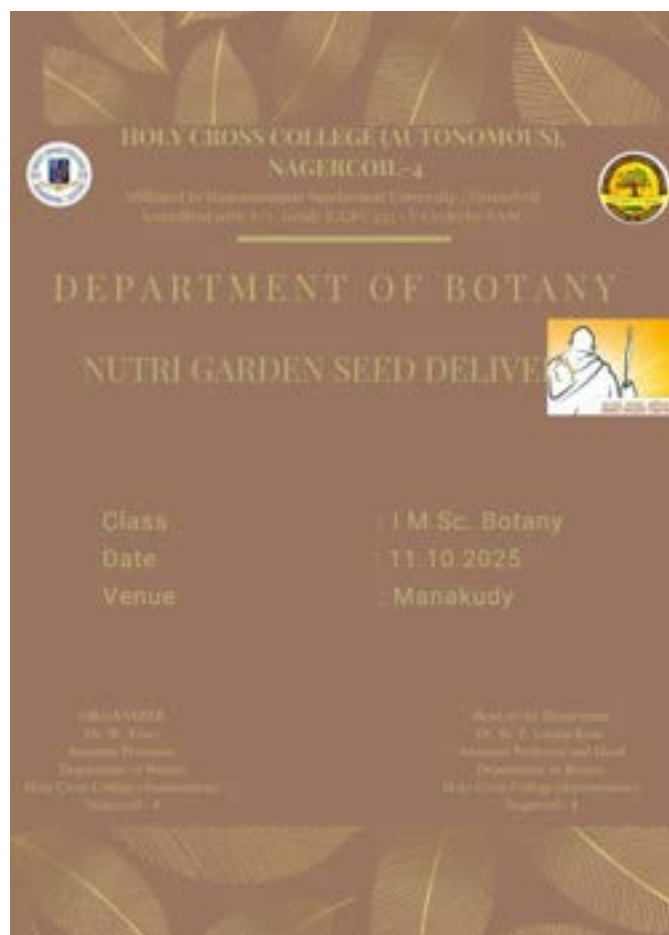

Organized by : Department of Botany
Holy Cross College (Autonomous), Nagercoil

Theme / Objective : To promote the cultivation of nutrient-rich vegetables at the household level.

Outcome of the Activity : Raised awareness about sustainable and healthy food habits.

No. of Beneficiaries : 30

Venue : Manakudy

16. Title of the Programme	:	Nutrition Food Supply- Child Friendly Village
Date	:	13-12-2025
Organized by	:	Department of Botany Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To improve the nutritional status of children by promoting balanced diets, dietary diversity, and healthy feeding practices.
Resource Person	:	I M.Sc Botany Students
Outcome of the Activity	:	Parents and the community become more aware of balanced diets, hygiene, and child care practices.
No. of Beneficiaries	:	35
Venue	:	Manakudi

Brief Description

On 13th December, 2025, the Department of Botany organized a programme on, “Nutrition and Food Supply” on 13th December 2025 at Manakudy under the Revamped Rashtriya Gram Swaraj Abhiyan (RRGSA) scheme in collaboration with the State Institute of Rural Development and Panchayat Raj. The programme was organized with the objective of

creating awareness about balanced nutrition, food security, and sustainable food supply among the rural community. Faculty members explained the importance of a balanced diet, the nutritional value of locally available plant-based foods, millets, and vegetables, and highlighted the role of traditional dietary practices in maintaining good health. The sessions also focused on preventing malnutrition, promoting kitchen gardens, reducing food wastage, and encouraging the use of government nutrition-related schemes. The programme witnessed active participation from local residents, women self-help group members, and Panchayat representatives, making the interaction lively and effective. Overall, the programme successfully enhanced awareness on nutrition and food supply while strengthening the institution's commitment to rural development and community empowerment.

17. Title of the Programme	:	IEC Nutrition Materials Distribution Drive
Date	:	13-12-2025
Organized by	:	Department of English Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To improve knowledge of mothers & children about balanced diets & to strengthen community-based nutrition awareness.
Outcome of the Activity	:	The programme strengthened rural health education by providing Anganwadi centres with useful IEC materials, improving awareness of nutrition and hygiene, and giving students valuable experience in public health outreach.
No. of Beneficiaries	:	30
Venue	:	Manakudy

Brief Description

Department of English, Holy Cross College (Autonomous), Nagercoil, in association with the State Institute of Rural Development and Panchayat Raj, conducted an IEC

(Information, Education and Communication) Nutrition Materials Distribution Drive at Manakudy on 13 December 2025. As part of this initiative, nutrition awareness posters were distributed to Manakudy Anganwadi centre to promote healthy eating habits and child welfare. Students and faculty visited an Anganwadi centre in Manakudy and distributed nutrition-based IEC posters. These posters included information about balanced diets, child nutrition, maternal health and hygiene. The Anganwadi staffs were briefed about the importance of using these materials during daily activities. The posters were displayed in visible areas so that mothers, caregivers, and children could easily read and understand the messages. Simple explanations were given to the Anganwadi workers for effective use of the materials. Anganwadi workers welcomed the initiative and appreciated the college's effort to support early childhood care and nutrition education. Mothers showed interest in the messages displayed on the posters.

The IEC Nutrition Materials Distribution Drive was a valuable health awareness initiative. By providing visual educational tools to Anganwadi centres, the programme contributed to better nutrition awareness and community well-being.

18. Title of the Programme	:	Distribution of TLM to School Children
Date	:	13-12-2025
Organized by	:	Department of English Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To support the academic needs of rural school children.
Outcome of the Activity	:	The program contributed to improving learning opportunities for rural children and reflected the institution's commitment to inclusive education and community development.
No. of Beneficiaries	:	42
Venue	:	Manakudy

Brief Description

Department of English, Holy Cross College (Autonomous), Nagercoil, in collaboration with the State Institute of Rural Development and Panchayat Raj, conducted a Teaching Learning Materials (TLM) Distribution Programme for school children at Manakudy on 13

December 2025 at 10.30 a.m. The programme aimed to support school-going children from rural backgrounds by providing them with essential learning materials and encouraging their educational development. The programme was organized in a community setting at Manakudy. The college students and faculty distributed various Teaching Learning Materials such as notebooks, stationery and educational aids to school children. These materials were selected to support basic learning needs and enhance classroom participation. The distribution was carried out in an organized and respectful manner. Each child received materials with care and encouragement from the volunteers. Faculty members interacted with the children and motivated them to make good use of the materials for their studies. Many parents expressed their gratitude for the support provided by the college. The materials helped ease financial pressure and promoted a positive attitude towards schooling. The programme also strengthened trust between the institution and the local community.

19. Title of the Programme	:	Seed for Greener Tomorrow
Date	:	13-12-2025
Organized by	:	Department of English SF Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To promoting rural development awareness, sustainability, and community participation through small but meaningful initiatives symbolized by the act of sowing a seed.
Outcome of the Activity	:	The theme “Seed for Greener Tomorrow” highlighted how even the smallest effort, when carried out consistently, can lead to long-term positive change in society.
No. of Beneficiaries	:	30
Venue	:	Parakkai

Brief Description

The programme titled “Seed for Greener Tomorrow” was organized by the Department of English SF. The programme was conducted on 13th December 2025 at Arakaki with the objective of promoting rural development awareness, sustainability, and community participation through small but meaningful initiatives symbolized by the act of sowing a seed. The programme emphasized the importance of individual responsibility in nation building and rural transformation. The theme “Seed for Greener Tomorrow” highlighted how even the smallest effort, when carried out consistently, can lead to long-term positive change in society. The event focused on environmental awareness, agricultural sustainability, and the role of education in empowering rural communities

20. Title of the Programme	:	Street Play on Child Labour
Date	:	13-12-2025
Organized by	:	Department of English Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness about the harmful effects of child Labour & to educate villagers about the legal provisions against child labour.
Outcome of the Activity	:	The programme created strong awareness about child labour, encouraged support for children's education, strengthened college–community ties, and developed students' leadership and social responsibility.
No. of Beneficiaries	:	42
Venue	:	Manakudy

Brief Description

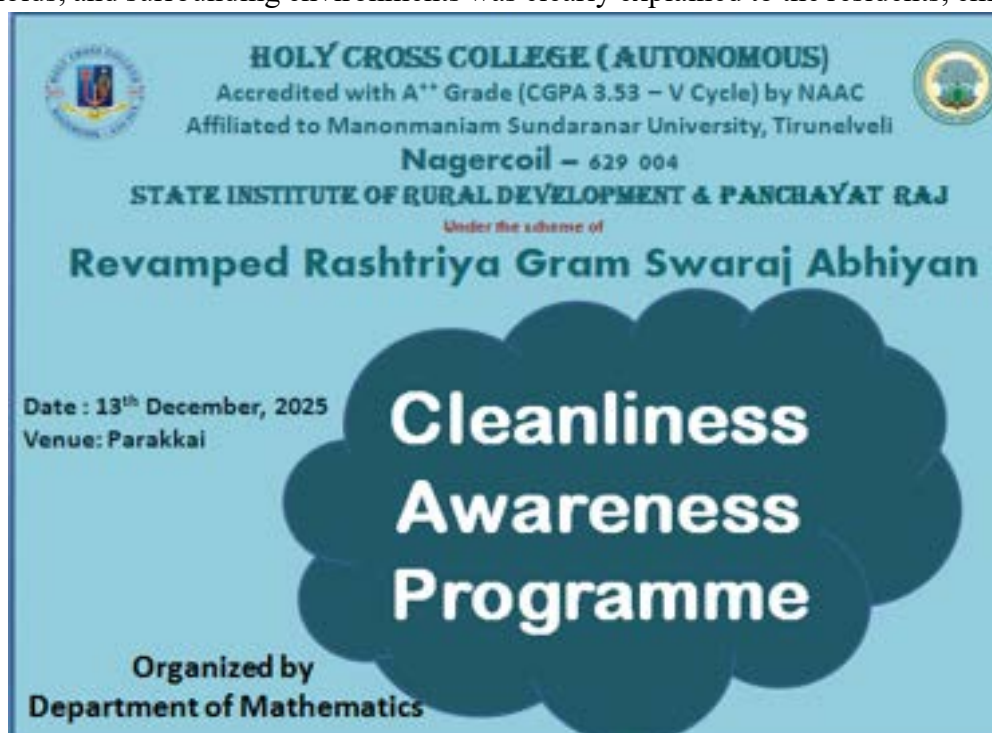

Department of English, Holy Cross College (Autonomous), Nagercoil, in collaboration with the State Institute of Rural Development and Panchayat Raj (SIRD), Government of Tamil Nadu, organized a Street Play on Child Labour at Manakudy village on 13 December 2025 at 11.45 a.m. This programme was conducted as part of the institution's commitment to social responsibility and community engagement through awareness-oriented activities. The street play aimed to sensitize the rural community about the social, economic and moral implications of child labour and to promote the importance of education for every child. A group of enthusiastic students from Holy Cross College performed a powerful street play in the public area of Manakudy village. The play depicted the harsh realities faced by children who are forced to work in shops, factories, and households instead of going to school. Through realistic dialogues, emotional scenes, and expressive acting, the students highlighted how child labour destroys childhood and future prospects. The performance also showed how poverty, lack of awareness, and social pressure push families to send their children to work. The students used simple language and strong visual expressions so that villagers of all age groups could easily understand the message. The concluding part of the play emphasized the importance of education, government welfare schemes, and community responsibility in eradicating child labour.

21. Title of the Programme	:	Cleanliness Awareness Programme
Date	:	13.12.2025
Organized by	:	Department of Mathematics Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To provide students with first-hand exposure to socially secure village and clean environment.
Resource Person	:	The students of I M.Sc Mathematics
Outcome of the Activity	:	Students learn about social security, equality, health, education and cleanliness in the surroundings.
No. of Beneficiaries	:	40
Venue	:	Parakkai

Brief Description

The Cleanliness Awareness Programme was organized by the Department of Mathematics on 13th December 2025 at Arakaki with the objective of promoting cleanliness, hygiene, and healthy living practices among the local community. The programme aimed to create awareness about the importance of maintaining a clean environment for better health and sustainable development. Students and faculty members actively participated in spreading messages related to personal hygiene, proper waste disposal, sanitation, and the prevention of diseases caused by unhygienic surroundings. The significance of cleanliness in public spaces, households, and surrounding environments was clearly explained to the residents, emphasizing

that cleanliness is a shared social responsibility.

22. Title of the Programme	:	Socially secured village – rally
Date	:	13.12.2025
Organized by	:	Department of Mathematics Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness among the public about social security schemes, welfare measures, and the importance of collective responsibility in building a safe and inclusive rural community
Resource Person	:	The students of I M.Sc Mathematics
Outcome of the Activity	:	Sensitized the public to the concept of a socially secured village and reinforced the importance of awareness, participation, and unity in achieving sustainable rural development.
No. of Beneficiaries	:	40
Venue	:	Parakkai

Brief Description

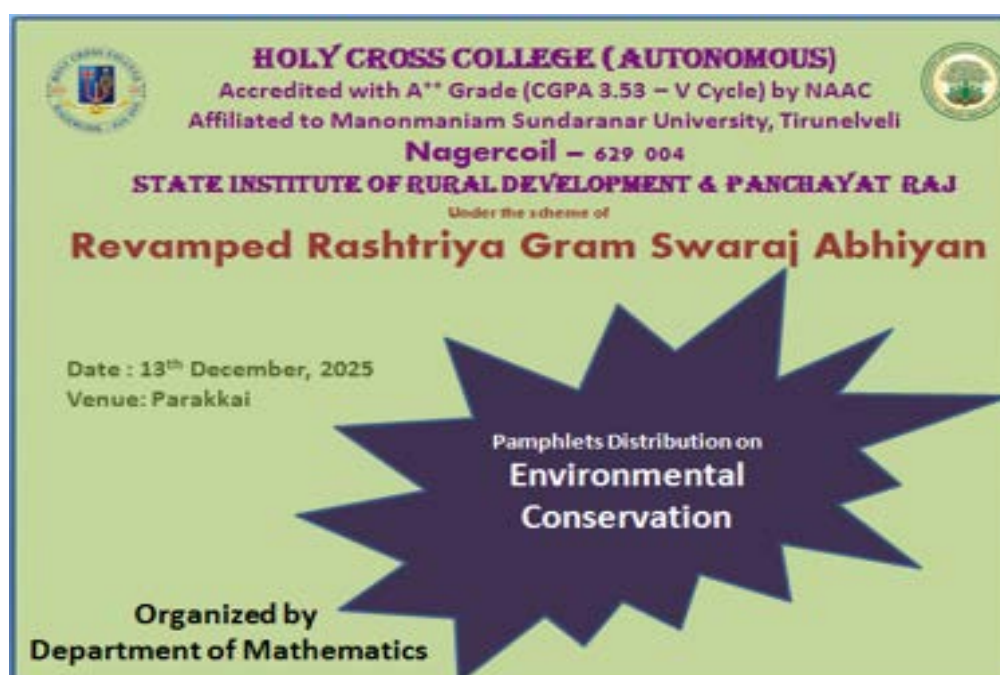

A socially secured village rally was organized by the Department of Mathematics on 13th December, 2025 with the aim of creating awareness among the public about social security schemes, welfare measures, and the importance of collective responsibility in building a safe and inclusive rural community. The rally witnessed active participation from students and faculty members, who marched through the village carrying placards and raising slogans emphasizing social justice, equality, and citizen rights. The participants highlighted key government initiatives related to social security, including schemes for women, children, senior citizens, differently abled persons, and economically weaker sections. The rally served as an effective platform to educate villagers on accessing welfare benefits, ensuring social protection, and fostering community cooperation. The event successfully sensitized the public to the concept of a socially secured village and reinforced the importance of awareness, participation, and unity in achieving sustainable rural development.

23. Title of the Programme	:	Pamphlet distribution programme on Environmental Conservation
Date	:	13.12.2025
Organized by	:	Department of Mathematics Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness about the importance of protecting the environment and adopting sustainable practices at the grassroots level.
Resource Person	:	The students of I M.Sc Mathematics
Outcome of the Activity	:	Pamphlets containing information on tree plantation, waste management, water conservation, cleanliness, and eco-friendly lifestyle practices were prepared and distributed to the residents
No. of Beneficiaries	:	40
Venue	:	Parakkai

Brief Description

The pamphlet distribution programme on Environmental Conservation was organized by the Department of Mathematics on 13th December 2025 at Parakkai with the aim of creating awareness about the importance of protecting the environment and adopting sustainable practices at the grassroots level. The programme was designed to educate the local community on

environmental conservation through simple and effective communication. Pamphlets containing information on tree plantation, waste management, water conservation, cleanliness, and eco-friendly lifestyle practices were prepared and distributed to the residents

24. Title of the Programme	:	Awareness rally on anemia
Date	:	26.01.2026
Organized by	:	Department of Physics Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness about the early detection and prevention of anaemia by promoting iron-rich foods, balanced diets, and regular health check-ups.
Outcome of the Activity	:	Enhanced community knowledge that may help in reducing nutritional deficiencies and the prevalence of anaemia.
No. of Beneficiaries	:	85
Venue	:	Parakkai Village, Kanyakumari District, Tamil Nadu

Brief Description

The I M.Sc. Physics students organized an awareness rally on the “Identification and Prevention of Anemia” on 26.01.2026 at Parakkai village to create awareness among the villagers about the importance of maintaining good health. The rally was conducted with the aim of educating the community, particularly parents and children, about the significance of proper nutrition and a healthy lifestyle in preventing anemia. During the rally, the students carried banners and placards displaying important messages about children’s health and the prevention of anemia. They raised awareness slogans and highlighted the importance of consuming nutritious and iron-rich foods such as green leafy vegetables, fruits, pulses, and other components of a balanced diet that contribute to good health and help prevent anemia. The students also interacted with the villagers and explained the causes, symptoms, and preventive measures of anemia. They encouraged the villagers to follow healthy dietary practices and emphasized the importance of providing adequate nutrition to children for their proper growth and development. Overall, the rally created a positive impact in the community by spreading awareness about the importance of a balanced diet and helping villagers gain a better understanding of anemia and the ways to prevent it.

Organized by	:	Department of Physics Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness about the early detection and prevention of anaemia by promoting iron-rich foods, balanced diets, and regular health check-ups.
Outcome of the Activity	:	Enhanced community knowledge that may help in reducing nutritional deficiencies and the prevalence of anaemia.
No. of Beneficiaries	:	85
Venue	:	Parakkai Village, Kanyakumari District, Tamil Nadu

Brief Description

The I M.Sc. Physics students organized a pamphlet distribution activity on Nutritious Food for Women and Elders on 26.01.2025 at Parakkai village. The main objective of this activity was to create awareness among the villagers about the importance of proper nutrition, particularly for women and elderly people who are more vulnerable to nutritional deficiencies.

The pamphlets were carefully designed to provide simple and clear information about nutritious food, the importance of a balanced diet, and the essential nutrients required for maintaining good health. The content highlighted healthy food choices such as green leafy vegetables, fruits, pulses, milk, and other nutrient-rich foods that support the overall well-being of women and elders.

During the activity, the students visited different parts of the village and distributed the pamphlets to the residents. They also briefly explained the information given in the pamphlets and encouraged the villagers to follow healthy dietary habits in their daily lives. This activity helped in spreading awareness about the importance of balanced nutrition and motivated women and elderly people in the village to adopt healthier food practices for improving their health and well-being.

26. Title of the Programme	:	Distribution of Supplementary Nutritious food
Date	:	26-01-2026
Organized by	:	PG & Research Department of Chemistry Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	The primary objective of the activity was to improve the nutritional status of vulnerable groups by providing supplementary nutritious food and to create awareness about the importance of a balanced diet for maintaining good health.
Resource Person	:	Mr. Sankar, Panchayat President
Outcome of the Activity:		Improved nutritional awareness and dietary intake among beneficiaries while fostering community engagement and student social responsibility.
No. of Beneficiaries	:	120
Venue	:	Parakkai, Nagercoil

Brief Description

The PG & Research Department of Chemistry, Holy Cross College (Autonomous), Nagercoil, organized a community outreach programme on “Distribution of Supplementary Nutritious Food” on 26th January 2026 at Parakkai, Nagercoil. The programme was conducted with the aim of improving the nutritional status of vulnerable groups and promoting awareness about the importance of a balanced diet.

The primary objective of the activity was to provide supplementary nutritious food to the needy and to educate the community on maintaining proper dietary habits for better health. The programme emphasized the significance of adequate nutrition in preventing malnutrition and enhancing overall well-being. The programme was supported by the resource person, Mr. Sankar, Panchayat President, who addressed the gathering and highlighted the importance of nutritious food and healthy lifestyle practices. He encouraged the beneficiaries to adopt balanced diets and make use of locally available nutritious food resources.

A total of 120 beneficiaries participated in the programme and received supplementary nutritious food. The distribution process was carried out efficiently, ensuring that all participants benefited from the initiative. Alongside the distribution, awareness was created regarding the role of proper nutrition in maintaining good health, especially among children, women, and the elderly. The outcome of the activity was highly positive, as it enhanced

nutritional awareness and improved dietary intake among the beneficiaries. It also strengthened community engagement and instilled a sense of social responsibility among the students involved in the programme.

27. Title of the Programme	:	Awareness Campaign on Healthy Eating
Date	:	26-01-2026
Organized by	:	PG & Research Department of Chemistry Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	The program aimed to educate participants about the nutritional benefits of locally available foods such as fruits, vegetables, pulses, and millets, and to highlight the harmful effects of excessive consumption of junk and processed foods, thereby encouraging people to adopt healthier dietary practices and improve their overall health and well-being.
Resource Person	:	Mr. Sankar, Panchayat President
Outcome of the Activity:		The campaign increased awareness among students about balanced diets and encouraged them to adopt healthier eating habits.
No. of Beneficiaries	:	120
Venue	:	Parakkai, Nagercoil

Brief Description

The PG & Research Department of Chemistry, Holy Cross College (Autonomous), Nagercoil, organized an Awareness Campaign on Healthy Eating on 26th January 2026 at Parakkai,

Nagercoil. The programme aimed to educate the community on the importance of balanced nutrition and to promote healthy dietary practices for overall well-being.

The main objective of the campaign was to create awareness about the nutritional benefits of locally available foods such as fruits, vegetables, pulses, and millets. The programme also highlighted the harmful effects of excessive consumption of junk and processed foods, encouraging participants to make healthier food choices in their daily lives.

The resource person for the programme was Mr. Sankar, Panchayat President, who addressed the participants and emphasized the importance of adopting a balanced diet. He explained how traditional and locally available foods can provide essential nutrients required for maintaining good health and preventing lifestyle-related diseases.

A total of 120 beneficiaries participated in the campaign. The session included interactive discussions, where participants were encouraged to share their food habits and clarify their doubts regarding nutrition and healthy eating. Awareness was created on simple and practical ways to incorporate nutritious food into daily diets.

The outcome of the activity was highly positive, as it increased awareness among the participants about the importance of balanced diets and motivated them to adopt healthier eating habits.

Overall, the programme was successful in promoting nutritional awareness, encouraging healthy lifestyles, and strengthening community engagement.

28. Title of the Programme	:	Tracking of the drop out children
Date	:	26-01-2026
Organized by	:	Department of English Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To identify and prevent school dropout among children and to promote awareness among parents about the importance of continuous education. To develop communication and outreach skills among students through field interaction.
Resource Person	:	Nil
Outcome of the Activity	:	The activity helped in strengthening community engagement and reinforcing the value of education among parents and guardians. It reflects the effectiveness of ongoing educational awareness

programs in the locality. The survey concludes that Manakudy, in the selected sample area, currently has zero dropout cases among the surveyed households. Continuous monitoring and awareness initiatives are recommended to maintain this positive trend.

No. of Beneficiaries : 30
Venue : Manakudy

Brief Description

The Department of English, Holy Cross College (Autonomous), Nagercoil, organized a field-based activity on “Tracking of Dropout Children” on 26th January 2026 at Manakudy. The programme was conducted with the objective of identifying and preventing school dropouts and creating awareness among parents about the importance of continuous education. The activity also aimed to enhance the communication and outreach skills of students through direct interaction with the community. As part of the programme, students conducted a survey in the selected area to identify school-going children and assess the status of school attendance. They interacted with parents and guardians to understand the challenges faced in ensuring regular schooling for children.

During the field visit, students emphasized the significance of education in shaping a better future and encouraged parents to support their children’s continuous learning. Awareness was created regarding the long-term benefits of education and the negative consequences of discontinuing schooling at an early stage.

A total of 30 beneficiaries were involved in the activity. The findings of the survey revealed that there were no dropout cases among the households covered in the selected area of Manakudy. This positive outcome reflects the effectiveness of ongoing educational awareness programmes and the commitment of the community towards education.

The activity played a vital role in strengthening community engagement and reinforcing the importance of education among parents and guardians. It also provided students with practical exposure to real-life social issues, enhancing their interpersonal skills, teamwork, and sense of social responsibility. Overall, the programme was successful in achieving its objectives and highlighted the importance of continuous monitoring and awareness initiatives to sustain the positive trend of zero school dropouts.

29. Title of the Programme	:	Distribution of Pamphlet Informing Forthcoming Grama Sabha
Date	:	26-01-2026
Organized by	:	Department of English Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To ensure maximum public participation in local governance and to make people aware of their rights and responsibilities in the decision-making process.
Resource Person	:	Nil
Outcome of the Activity	:	The activity helped in improving awareness about local administrative processes and emphasized the role of citizens in rural development. The pamphlet distribution at Manakudy was successful in spreading awareness about the forthcoming Grama Sabha and motivating people to participate actively.
No. of Beneficiaries	:	35
Venue	:	Manakudy

Brief Description

The Department of English, Holy Cross College (Autonomous), Nagercoil, organized a community outreach activity on “Distribution of Pamphlet Informing Forthcoming Grama Sabha” on 26th January 2026 at Manakudy. The programme was conducted with the objective of ensuring maximum public participation in local governance and creating awareness about citizens’ rights and responsibilities in the decision-making process.

As part of the activity, students actively distributed pamphlets to the residents of the village, informing them about the upcoming Grama Sabha meeting. The pamphlets contained details regarding the date, purpose, and importance of the Grama Sabha, encouraging people to attend and voice their opinions on local issues.

Through direct interaction with the community, students explained the significance of public participation in rural development and governance. They emphasized how active involvement in Grama Sabha meetings can help address local concerns and contribute to the overall development of the village.

A total of 35 beneficiaries were reached through this initiative. The villagers responded positively and showed interest in participating in the forthcoming Grama Sabha. The activity

effectively enhanced awareness about local administrative processes and highlighted the importance of citizen engagement in governance.

The outcome of the programme was encouraging, as it motivated the local community to take an active role in decision-making and strengthened their understanding of democratic participation at the grassroots level. It also helped students develop communication skills, teamwork, and a sense of social responsibility.

Overall, the programme was successful in promoting awareness, civic responsibility, and community participation in local governance.

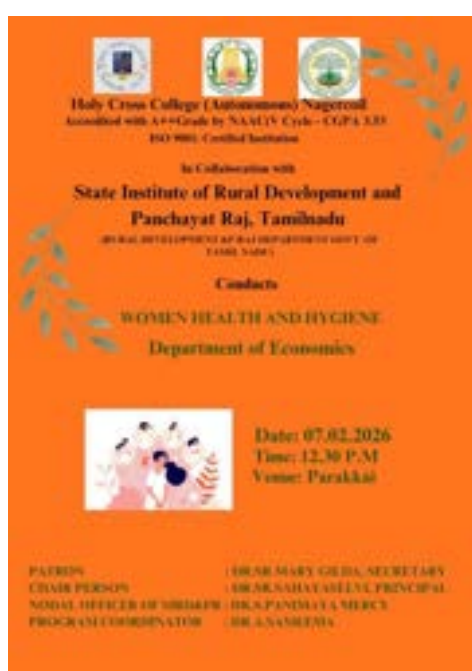

30. Title of the Programme	:	Awareness programme on women health & Hygiene
Date	:	07.02.2026
Organized by	:	Department of Economics Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness among the women of the village about the importance of maintaining proper health and hygiene in their daily lives.
Outcome of the Activity	:	The program greatly benefited the women of Parakkai village by enhancing their knowledge on health and hygiene and motivating them to work towards creating a healthy and women-friendly village community
No. of Beneficiaries	:	85
Venue	:	Parakkai Village, Kanyakumari District, Tamil Nadu

Brief Description

The Department of Economics of Holy Cross College (Autonomous), Nagercoil, in collaboration with the State Institute of Rural Development and Panchayat Raj, Tamil Nadu (SIRD & PR), organized an awareness program on “Women Health and Hygiene” on 07 February 2026 at 12.30 p.m. at Parakkai village. The program was conducted with the objective of promoting the concept of a women-friendly village by creating awareness among the women of the village about the importance of maintaining proper health and hygiene in their daily lives. The session focused on educating the beneficiaries of Parakkai village about personal hygiene, menstrual hygiene, nutrition, sanitation, and preventive healthcare practices that are essential for women’s well-being. The participants were also informed about the importance of clean surroundings, safe drinking water, and proper waste management in maintaining good health. The program encouraged women to adopt healthy lifestyle practices, seek timely medical care, and spread awareness among their families and the community to build a healthier and more supportive environment for women. The event was conducted under the patronage of Dr. Sr. Mary Gilda, Secretary, with Dr. Sr. Sahayaselvi, Principal, serving as the Chairperson. Dr. S. Panimaya Mercy, Nodal Officer of SIRD & PR, played a vital role in facilitating the collaboration and guiding the program, while Dr. A. Sameema, Program Coordinator, effectively organized the session. The program greatly benefited the women of Parakkai village by enhancing their knowledge on health and hygiene and motivating them to work towards creating a healthy and women-friendly village

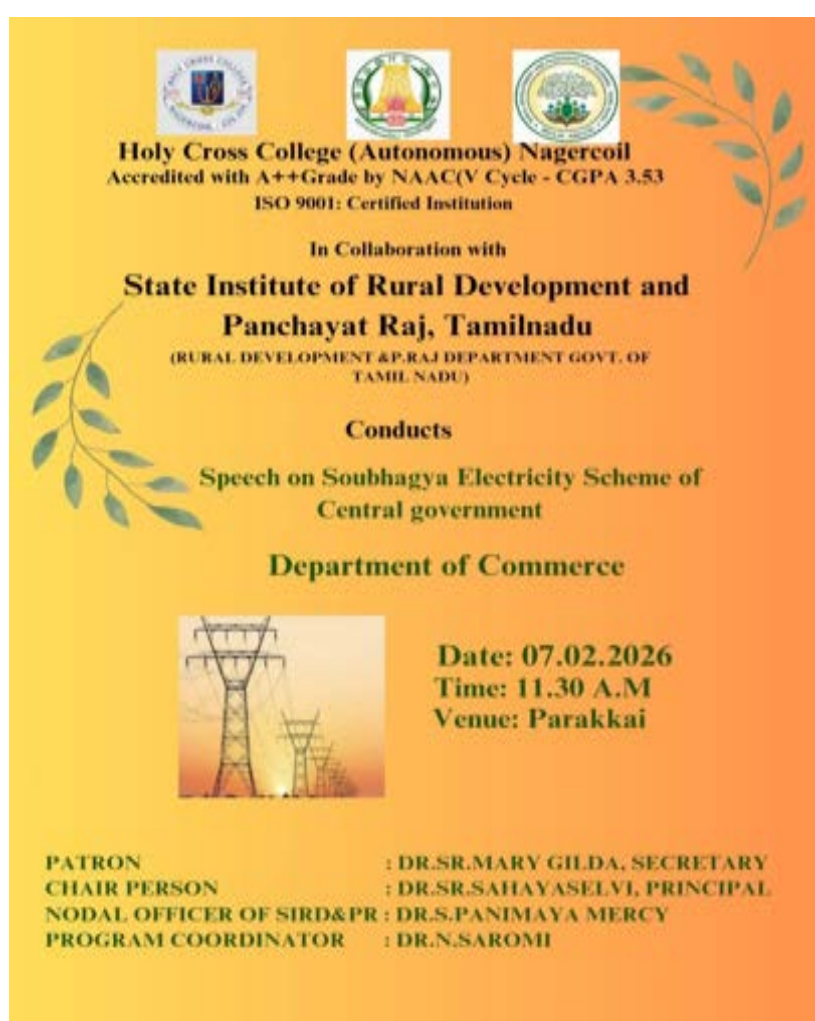

31. Title of the Programme	:	Awareness Programme on Saubhagya Scheme
Date	:	07.02.2026
Organized by	:	Department of Commerce Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness about Saubhagya Electricity Scheme
Outcome of the Activity	:	The program greatly benefited the women of Parakkai village by enhancing their knowledge on Saubhagya Electricity Scheme
No. of Beneficiaries	:	30
Venue	:	Parakkai Village, Kanyakumari District, Tamil Nadu

Brief Description

The Department of Commerce of Holy Cross College (Autonomous), Nagercoil, in collaboration with the State Institute of Rural Development and Panchayat Raj, Tamil Nadu (SIRD & PR), organized a speech on “Poverty Free Village” on 07 February 2026 at 11.30 a.m. at Parakkai village. The program aimed to create awareness among the villagers about the importance of reducing poverty and improving the socio-economic conditions of rural communities. During the session, the beneficiaries of Parakkai village were informed about various government welfare schemes that support rural development, including the Saubhagya

Electricity Scheme, which provides electricity connections to households and improves living standards. The villagers were encouraged to make use of government schemes, employment opportunities, and self-help initiatives to enhance their income and quality of life. The program also highlighted the importance of education, skill development, and community participation in achieving the goal of a poverty-free village. The event motivated the villagers of Parakkai to actively participate in development initiatives for building a poverty-free and sustainable community. An interactive discussion followed, where villagers clarified their doubts regarding eligibility and application procedures. Student volunteers encouraged households without electricity connections to approach the concerned authorities and avail the scheme benefits. Awareness about safe electricity usage and energy conservation was also provided. The programme successfully enhanced awareness about the Saubhagya Scheme and strengthened the institution's commitment to rural development through community engagement. The activity marked an important step toward supporting inclusive growth and sustainable rural empowerment.

32. Title of the Programme	:	Distribution of Saplings
Date	:	07.02.2026
Organized by	:	Department of Commerce Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To promote the concept of a Green Village by encouraging environmental protection and sustainable development
Outcome of the Activity	:	The initiative encouraged the villagers to actively participate in planting trees in their homes, public spaces, and surroundings, thereby contributing to the development of a greener and more sustainable village.
No. of Beneficiaries	:	30
Venue	:	Parakkai Village, Kanyakumari District, Tamil Nadu

Brief Description

The Department of Commerce of Holy Cross College (Autonomous), Nagercoil, in collaboration with the State Institute of Rural Development and Panchayat Raj, Tamil Nadu (SIRD & PR), organized a program on “Distribution of Saplings for Developing a Green Village” on 07 February 2026 at 1.30 p.m. at Parakkai village under the scheme of Revamped Rashtriya Gram Swaraj Abhiyan. The program was conducted with the objective of promoting the concept of a Green Village by encouraging environmental protection and sustainable development. During the program, saplings were distributed to the beneficiaries and residents of Parakkai village, highlighting the importance of planting and nurturing trees to maintain ecological balance and improve the quality of the environment. The villagers were made aware of how tree planting can help reduce pollution, provide shade, increase greenery, conserve biodiversity, and create a healthier living environment for future generations. The initiative encouraged the villagers to actively participate in planting trees in their homes, public spaces, and surroundings, thereby contributing to the development of a greener and more sustainable village. The sapling distribution program greatly benefited the people of Parakkai village and inspired them to work together towards building a clean, green, and environmentally sustainable village community.

33. Title of the Programme	:	Rally on rain water harvesting
Date	:	07.02.2026
Organized by	:	Department of Economics Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness among the villagers about the importance of conserving water and promoting the concept of a sustainable and environmentally responsible village
Outcome of the Activity	:	Created awareness among the people of Parakkai village about the importance of water conservation and motivated them to take collective responsibility in protecting and saving rainwater for a better and sustainable future
No. of Beneficiaries	:	85
Venue	:	Parakkai Village, Kanyakumari District, Tamil Nadu

Brief Description

The Department of Economics of Holy Cross College (Autonomous), Nagercoil, in collaboration with the State Institute of Rural Development and Panchayat Raj, Tamil Nadu

(SIRD & PR), organized a rally on “water Sufficient Village” on 07 February 2026 at 10.30 a.m. at Parakkai village under the scheme of Revamped Rashtriya Gram Swaraj Abhiyan. The rally was conducted with the objective of creating awareness among the villagers about the importance of conserving water and promoting the concept of a sustainable and environmentally responsible village. During the rally, the beneficiaries and residents of Parakkai village were educated about the need for rainwater harvesting, proper water management, and the conservation of natural water resources. The participants highlighted how saving rainwater can help increase groundwater levels, reduce water scarcity, and support agricultural activities and household needs. Through slogans, awareness messages, and community participation, the rally encouraged villagers to adopt rainwater harvesting methods in their homes and surroundings. The rally successfully created awareness among the people of Parakkai village about the importance of water conservation and motivated them to take collective responsibility in protecting and saving rainwater for a better and sustainable future.

The poster features a blue-to-purple gradient background with green leafy branches on the left and right sides. At the top, there are three circular logos: the first is the Holy Cross College logo, the second is the State Institute of Rural Development and Panchayat Raj logo, and the third is the Rashtriya Gram Swaraj Abhiyan logo. Below the logos, the text reads: 'Holy Cross College (Autonomous) Nagercoil', 'Accredited with A++ Grade by NAAC (VCycle - CGPA 3.53)', and 'ISO 9001: Certified Institution'. This is followed by 'In Collaboration with', 'State Institute of Rural Development and Panchayat Raj, Tamilnadu', 'Under the scheme of', 'Revamped Rashtriya Gram Swaraj Abhiyan', and 'Conducts'. The main title is 'RALLY ON AWARENESS OF RAINWATER SAVING' in bold green letters, with 'Department of Economics' below it. On the left, there is a small image of a rainwater harvesting system. To the right of this image, the event details are listed: 'Date: 07.02.2026', 'Time: 10.30 A.M', and 'Venue: Parakkai'. At the bottom, the roles and names of the organizers are listed in two columns.

34. Title of the Programme	:	Street play on Environment Protection
Date	:	07-03-2026
Venue	:	Parakkai
Organized by	:	Departments of English SF Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness about the importance of cleanliness and hygiene
Resource Person	:	I M.A English SF students
Outcome of the Activity	:	The play attracted the attention of the local residents and effectively conveyed the message of responsible waste disposal and maintaining a healthy environment
No. of Beneficiaries	:	24

Brief Description

On 07 March 2026, the students of the Department of English organized a street play at Parakkai to create awareness about the importance of cleanliness and hygiene. Through an engaging performance, the students highlighted the harmful effects of littering and poor sanitation and emphasized the need to keep the surroundings clean. The play attracted the

attention of the local residents and effectively conveyed the message of responsible waste disposal and maintaining a healthy environment. The initiative was well received by the community and encouraged people to practice cleanliness in their daily lives.

35. Title of the Programme : Lead inspire Empower- Pamphlet Distribution
Date : 09-03-2026
Venue : Manakudy

Organized by	:	Departments of English SF Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness about the importance of women's rights, leadership, and social participation
Resource Person	:	I M.A English SF students
Outcome of the Activity	:	Distributed pamphlet to the women of the village and Discussed various issues related to women's empowerment.
No. of Beneficiaries	:	24

Brief Description

On 09 March 2026, a women empowerment programme titled “Lead, Inspire, empower” was organized at Manakudi with the aim of creating awareness about the importance of women's rights, leadership, and social participation. The programme focused on encouraging women to recognize their potential, build confidence, and actively participate in the development of their families and communities. During the programme, the students visited the households and distributed pamphlet to the women of the village and discussed various issues related to women's empowerment such as education, self-reliance, financial independence, and equal opportunities.

36. Title of the Programme	:	Preparation of Vermicompost
Date	:	28-03-2026
Organized by	:	Department of Botany Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To promote social responsibility, environmental awareness, and community engagement among students.
Resource Person	:	I M.Sc Botany Students
Outcome of the Activity	:	Successful production of high-quality, nutrient-rich vermicompost from organic waste. Improved understanding of eco-friendly waste management and recycling techniques. Enhanced soil fertility leading to better plant growth and productivity. Development of practical skills in compost preparation and maintenance. Increased awareness about sustainable agriculture and environmental conservation.
No. of Beneficiaries	:	30
Venue	:	Manakudy

Brief Description

The Department of Botany, Holy Cross College (Autonomous), Nagercoil, organized a field-based learning activity on “Preparation of Vermicompost” for the students of I M.Sc. Botany on 28th March 2026 at Manakudy. The program was conducted with the objective of imparting practical knowledge on organic waste management and promoting sustainable agricultural practices among students. The session focused on creating awareness about the importance of vermicomposting as an eco-friendly method to recycle biodegradable waste into nutrient-rich organic manure. During the field visit, students were introduced to the basic concepts and significance of vermicomposting. They were guided through the step-by-step procedure, including the selection of suitable materials, preparation of composting beds, introduction of earthworms, and maintenance of optimal moisture and temperature conditions. The resource person also explained the role of earthworms in enhancing soil fertility and improving soil structure. The students actively participated in the hands-on training session, where they prepared vermicompost using locally available organic materials. They gained practical

exposure to waste segregation, layering techniques, and the monitoring process involved in compost production. The session also emphasized the environmental benefits of vermicomposting, such as reducing landfill waste and promoting sustainable farming.

37. Title of the Programme	:	Parthenium Eradication
Date	:	28-03-2026
Organized by	:	Department of Botany Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness about the harmful effects of Parthenium hysterophorus on human health, agriculture, and biodiversity.
Resource Person	:	I M.Sc Botany Students
Outcome of the Activity	:	The activity resulted in the successful removal of Parthenium plants from the selected area, contributing to a cleaner and healthier environment. Participants gained practical knowledge about weed management techniques and developed a sense of environmental responsibility.
No. of Beneficiaries	:	30
Venue	:	Manakudy

Brief Description

The Department of Botany, Holy Cross College (Autonomous), Nagercoil, organized a field-based activity on “Parthenium Eradication” for the students of I M.Sc. Botany on 28th March 2026 at Manakudy. The program aimed to create awareness about the harmful effects of *Parthenium hysterophorus* (Congress grass) and to promote environmental responsibility among students. The session highlighted the invasive nature of Parthenium, its adverse impact on agriculture, biodiversity, and human health, including allergies and respiratory problems. During the field activity, students were educated about the identification of Parthenium plants and the appropriate methods for its safe removal. They were instructed on precautionary measures such as wearing gloves and masks to avoid direct contact with the plant. The students actively participated in uprooting the weeds from the selected area, ensuring complete removal to prevent regrowth. The program also emphasized the importance of community participation in controlling the spread of invasive species and maintaining ecological balance. Students gained practical exposure to weed management techniques and developed a sense of environmental stewardship. Overall, the activity was highly effective in enhancing students’ awareness and involvement in ecological conservation. It provided hands-on experience and encouraged them to take initiative in addressing environmental challenges in their communities.

38. Title of the Programme : Street Play on Child Marriage

Date : 31-03-2026

Organized by : Department of Botany
Holy Cross College (Autonomous), Nagercoil

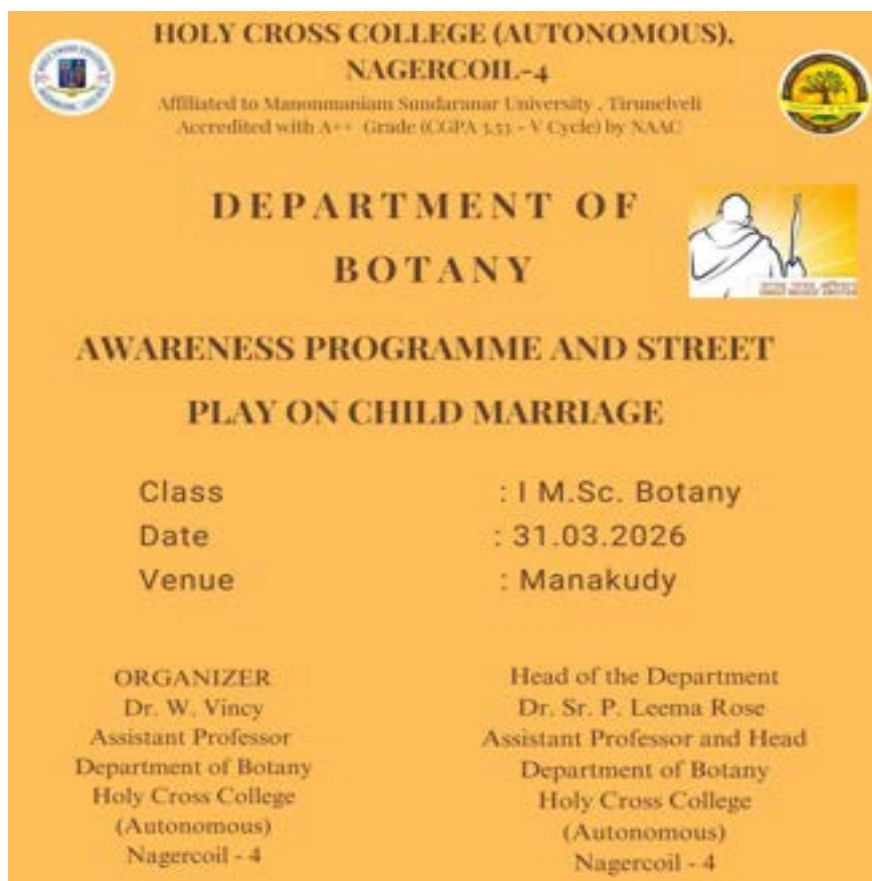

Theme / Objective	:	To educate the public about the social, legal, and health consequences of early marriage.
Resource Person	:	I M. Sc Botany Students
Outcome of the Activity	:	The activity successfully raised awareness among the local community through an engaging and impactful street play, effectively conveying the negative impacts of child marriage.
No. of Beneficiaries	:	25
Venue	:	Manakudy

Brief Description

The Department of Botany, Holy Cross College (Autonomous), Nagercoil, organized an Awareness Programme and Street Play on Child Marriage for the students of I M.Sc. Botany on 31st March 2026 at Manakudy. The programme was conducted with the objective of creating awareness about the social, legal, and health implications of child marriage and to promote gender equality and social responsibility.

The programme aimed to sensitize the local community, especially youth and parents, about the adverse consequences of child marriage and the importance of education and empowerment of girl children. As part of the activity, students performed a street play that effectively portrayed the negative impact of early marriage on the physical and mental health of young girls, their education, and overall development. The performance highlighted legal provisions prohibiting child marriage and emphasized the need for collective action to eliminate this social issue. The activity was highly impactful and informative, enabling students to actively participate in community outreach and social awareness initiatives. It enhanced their communication skills, teamwork, and sense of social responsibility.

Overall, the programme was a meaningful initiative that contributed to spreading awareness and fostering positive social change in the community.

39. Title of the Programme : Talk on Nutritional Aspects of the Children for Proper Growth and Development

Date : 31-03-2026

Organized by : Department of Botany

Theme / Objective	:	Holy Cross College (Autonomous), Nagercoil To create awareness among students about the importance of balanced nutrition in ensuring proper growth and development in children.
Resource Person	:	I M.Sc Botany Students
Outcome of the Activity	:	The activity resulted in enhanced understanding among students regarding the significance of proper nutrition in child development.
No. of Beneficiaries	:	25
Venue	:	Manakudy

Brief Description

The Department of Botany, Holy Cross College (Autonomous), Nagercoil, organized an awareness talk on “Nutritional Aspects of Children for Proper Growth and Development” for the students of I M.Sc. Botany on 31st March 2026 at Manakudy. The programme aimed to create awareness about the importance of balanced nutrition in ensuring the healthy growth and overall development of children. During the programme, the speaker highlighted the role of proper nutrition in physical growth, cognitive development, and immunity among children. The discussion also addressed common issues such as malnutrition, dietary deficiencies, and the importance of hygienic food practices. Practical suggestions were provided on preparing affordable and nutritious meals using locally available food items.

The session encouraged interaction with the local community, where participants actively engaged in discussions and clarified their doubts regarding child nutrition and healthy lifestyle practices. The programme emphasized the responsibility of parents and caregivers in ensuring adequate nutrition for children.

The activity was highly informative and beneficial, enhancing students’ understanding of community health and nutrition. It also strengthened their sense of social responsibility and involvement in public awareness initiatives.

Overall, the programme was successful in spreading awareness about the significance of proper nutrition for the healthy growth and development of children.

40. Title of the Programme	:	Booklet Distribution on Drug Abuse
Date	:	31-03-2026
Organized by	:	Department of English Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To promote social responsibility and community participation in addressing drug-related issues. To develop communication and outreach skills among students through field interaction.
Resource Person	:	Nil
Outcome of the Activity	:	The programme resulted in increased awareness among the local community about the harmful effects of drug abuse and the importance of leading a healthy lifestyle. The villagers responded positively to the booklet distribution and actively engaged with the students during the interaction. The activity also provided students with a better understanding of real-life social issues and enhanced their communication, teamwork, and sense of social responsibility.

No. of Beneficiaries : 30
Venue : Manakudy

Brief Description

The Department of English, Holy Cross College (Autonomous), Nagercoil, organized a community outreach activity on “Booklet Distribution on Drug Abuse” on 31st March 2026 at Manakudy. The programme was conducted with the aim of promoting social responsibility and encouraging community participation in addressing the growing issue of drug abuse.

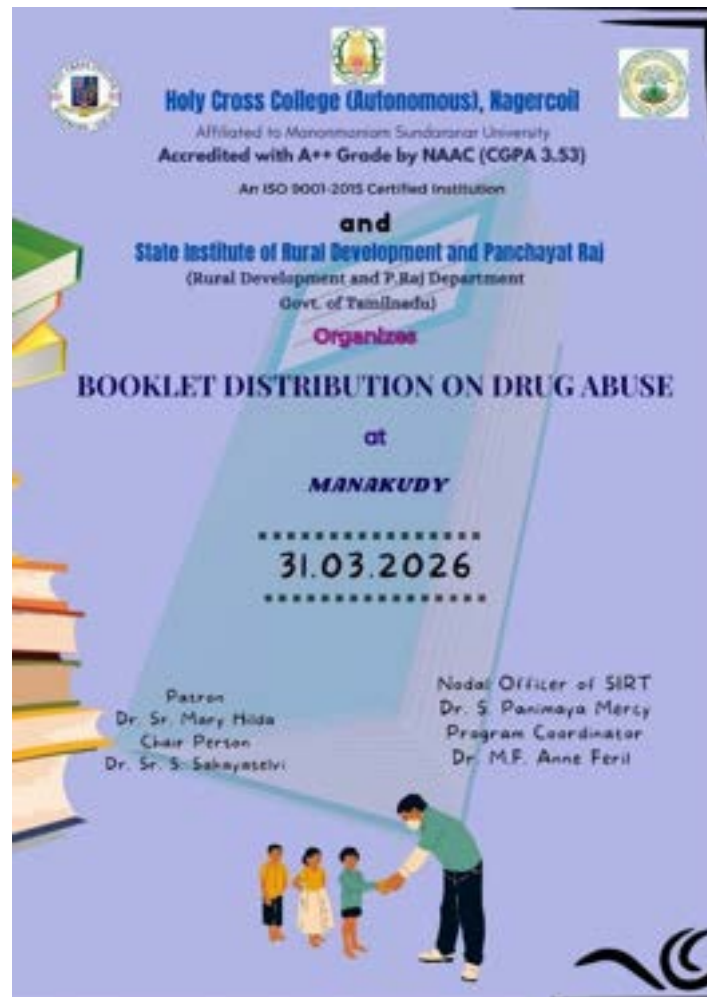

The primary objective of the activity was to create awareness among the public about the harmful effects of drug abuse and to encourage individuals to adopt a healthy and responsible lifestyle. The programme also aimed to develop communication and outreach skills among students through direct interaction with the community.

As part of the activity, informative booklets highlighting the dangers of drug addiction, its impact on physical and mental health, and preventive measures were distributed to the villagers. The students actively engaged with the local people, explaining the contents of the booklet and clarifying their doubts. The interaction helped in spreading awareness in an effective and accessible manner.

A total of 30 beneficiaries participated in the programme. The villagers responded positively to the initiative and showed keen interest in understanding the issues related to drug abuse. The activity created a platform for meaningful dialogue between students and the community.

The outcome of the programme was highly encouraging, as it enhanced awareness among the local community regarding the adverse effects of drug abuse and the importance of maintaining a healthy lifestyle. It also provided students with valuable exposure to real-life social issues, thereby improving their communication skills, teamwork, and sense of social responsibility.

Overall, the programme was a successful initiative that contributed to community awareness and student development through active participation and social engagement.

No. of Beneficiaries	:	32
Venue	:	Holy Cross College (Autonomous), Nagercoil

Brief Description

The Department of English (SF), Holy Cross College (Autonomous), Nagercoil, in association with the Unnat Bharat Abhiyan and in collaboration with The Gandhigram Rural Institute, Dindigul, organized a two-day Soft Skills Programme on “Leadership, Adaptability, Teamwork and Decision Making” on 4th and 5th February 2026. The programme was sponsored by Cognizant Technology Solutions, Coimbatore, and was conducted for the I M.A. English (SF) students at the I M.A. Classroom. The programme aimed to equip students with essential interpersonal and professional skills required in academic and workplace environments. The sessions focused on developing leadership qualities, enhancing adaptability in dynamic situations, fostering teamwork, and strengthening decision-making abilities. The resource sessions were interactive and activity-based, enabling students to actively participate in group discussions, role-plays, and problem-solving exercises. These activities encouraged students to think critically, collaborate effectively, and respond confidently to real-life challenges. The trainers emphasized the importance of communication, emotional intelligence, and strategic thinking in achieving personal and professional success.

3. Title of the Programme	:	Soft Skills Programme: Cyber Security as a Profession
Date	:	07.02.2026
Organized by	:	Department of Physics & Chemistry Holy Cross College (Autonomous), Nagercoil
Theme / Objective	:	To create awareness about cyber security as a career option, enhance students' understanding of digital safety, and develop essential soft skills required for pursuing opportunities in the cybersecurity field.
Resource Person	:	MS. Sadhana, Cognizant Technological Solutions, Coimbatore
Outcome of the Activity	:	The students gained better understanding of cyber security concepts and career opportunities in the IT sector. The programme enhanced their awareness of skills required for software-related jobs and encouraged them to explore career paths in cyber security.
No. of Beneficiaries	:	40
Venue	:	Room No. 11, Holy Cross College, Nagercoil.

Brief Description

A Soft Skills Programme on “Cyber Security as a Profession” was organized on February 17, 2026 for I M.Sc. Physics and I M.Sc. Chemistry students in association with Cognizant Technology Solutions, Coimbatore, through a hybrid modems. Sadhana and her team explained the concepts of cyber security systems with practical examples and highlighted the various job opportunities available in the cyber security field. The session was highly interactive, and students actively participated by asking questions and clarifying their doubts. The programme also provided students with a valuable opportunity to interact with officials from Cognizant Technology Solutions, where they discussed and clarified their queries regarding career prospects and job opportunities in the software and IT sectors.

The poster is for a soft skills programme titled "CYBER SECURITY AS A PROFESSION". Brief Description

The Unnat Bharat Abhiyan (UBA) of Holy Cross College (Autonomous), Nagercoil, in collaboration with Gandhigram Rural Institute (DTBU), the Regional Coordinating Institute of UBA, organized a training programme on MS Suite Advance PowerPoint, sponsored by Cognizant Technology Solutions, Coimbatore. The programme was conducted on 16.02.2026, 17.02.2026, 19.02.2026, and 20.02.2026 at the Claudine Block of the college.

The programme was organized for the students of the Department of Commerce SF and Economics with the aim of strengthening their presentation and technical skills. The sessions focused on advanced features of PowerPoint such as slide design, animations, transitions, use of templates, and effective content organization for impactful presentations.

The resource persons delivered hands-on training sessions, enabling students to actively engage in practical exercises. Students learned to create visually appealing and professional presentations, which will be beneficial for seminars, projects, and future career requirements. The sessions were interactive and enriched the students' digital competencies.

The programme was successfully completed with enthusiastic participation from the students.

Outcome of the Activity	:	Boosted students' confidence and readiness for future placements.
No. of Beneficiaries	:	24
Venue	:	Holy Cross College (Autonomous), Nagercoil

Brief Description

The Department of Botany and Chemistry jointly organized an *Interview Clinic Program* on 23rd February 2026 with the objective of preparing students for job interviews and enhancing their employability skills.

The program commenced with a welcome address by the Head of the Department, who emphasized the importance of interview skills in shaping students' careers. The session was conducted by experienced resource persons who provided valuable insights into various aspects of interviews.

The key topics covered during the program included:

- Resume preparation and effective presentation
- Common interview questions and appropriate responses
- Communication and body language skills
- Tips to handle stress and build confidence during interviews

Interactive activities such as mock interviews were conducted, allowing students to gain practical experience. The resource persons provided constructive feedback, helping students identify their strengths and areas for improvement.

Students actively participated in the session and clarified their doubts regarding interview techniques and career opportunities. The program proved to be highly beneficial in boosting their confidence and readiness for future placements.

The session concluded with a vote of thanks, expressing gratitude to the resource persons and participants for making the program a success.

Brief Description

The Unnat Bharat Abhiyan (UBA) of Holy Cross College (Autonomous), Nagercoil, in collaboration with Gandhigram Rural Institute (DTBU), the Regional Coordinating Institute of UBA, organized an Interview Clinic Programme, sponsored by Cognizant Technology Solutions, Coimbatore. The programme was conducted from 23.02.2026 to 25.02.2026 at the Claudine Block of the college. The programme was organized for the students of the Department of Commerce SF with the objective of equipping them with essential interview and employability skills. The sessions focused on key areas such as resume preparation, group discussions, personal interviews, body language, and communication techniques. The resource persons conducted interactive sessions including mock interviews, role plays, and practical demonstrations. Students actively participated and gained hands-on experience in facing real-time interview situations. The programme helped students overcome fear and build confidence in presenting themselves professionally. The programme was successfully completed with active participation and positive response from the students.
