## **QUALITY POLICY**

# QUALITY POLICY

## Policy Statement

The quality policy of the institution aims to ensure excellence in education through continuous enhancement in the quality of its services and standards of performance consistent with its vision and mission. The purpose of this policy is to uphold the highest quality standards in all institutional activities and maintain transparency in decision-making processes.

## Objectives

- To adhere all statutory requirements and maintain the highest standards of quality in all operations of the institution.
- To provide high-quality education and contribute positively to the broader educational landscape and society.
- To implement all the clauses of ISO 9001: 2015 for Quality Management System.
- To attain the expectations of the stakeholders in all standards of excellence through continuous evaluation, innovation and improvement.
- To maintain the quality of the infrastructural facilities by timely addition, renovation and maintenance.
- To promote green initiatives and environmental sustainability through eco-friendly practices.
- To maintain high standards of professionalism and integrity in all interactions among faculty, staff and students.

## Policy

The quality policy of the institution is committed to

- Strive for excellence in the academic programmes and support services by regularly undergoing accreditation processes and implementing recommendations for improvement.
- Strengthen the institution's reputation by achieving high standards in academic performance, research output, and community impact.
- Uphold high standards of accountability and transparency in the governance, decision-making, and resource management to build trust and credibility.

- Maintain a robust quality management system that aligns with the strategic goals of the institution and foster continuous improvement in all processes and activities.
- Promote a culture of continuous improvement in teaching, research, and administration by regularly assessing and enhancing the processes based on feedback and best practices.
- Prioritize holistic development and success of the students by providing a supportive, engaging, and enriching learning environment.
- Maintain strong relationships with the society through active partnerships, outreach, and collaborative initiatives. contributing to the social and economic development of the community.
- Invest in the continuous professional development of the staff and students, ensuring they have the necessary skills and resources to deliver high-quality education and support services.
- Encourage innovative teaching practices and support cutting-edge research that addresses societal challenges and contributes to knowledge advancement.
- Foster a collaborative and inclusive environment where faculty, staff, and students work together to achieve our quality objectives.
- Analyze the feedback from students, faculty and stakeholders to identify areas for improvement and implement effective solutions.
- Empower the students to become leaders and change-makers, equipped with the knowledge, skills, and values necessary to make a positive impact in society.

#### **Implementation of the Policy**

- Ensure that the quality policy is clearly communicated to all stakeholders, including students, faculty, staff, and parents.
- Provide continuous training and development opportunities for staff to support the implementation of the quality policy.
- Establish mechanisms for regular review and monitoring of the quality policy to ensure its relevance and effectiveness.
- Engage with stakeholders through regular meetings, feedback sessions, and collaborative initiatives to ensure the quality policy is aligned with their needs and expectations.

- Provide value-based quality education for developing the students as a competent and responsible citizen.
- Encourage teamwork and participatory management to enhance the implementation of the quality policy.
- Implement strategies for the development and empowerment of faculty to enhance their teaching and research capabilities.
- Continuously upgrade infrastructure facilities to support academic and extracurricular activities.
- Promote extension activities and outreach programmes to inculcate social responsibility among the faculty and students.

The Institution shall continuously review and update the approved policy and is committed to its implementation.
